LIFE AT M.H.S.

1948

ELINOR EPPIG

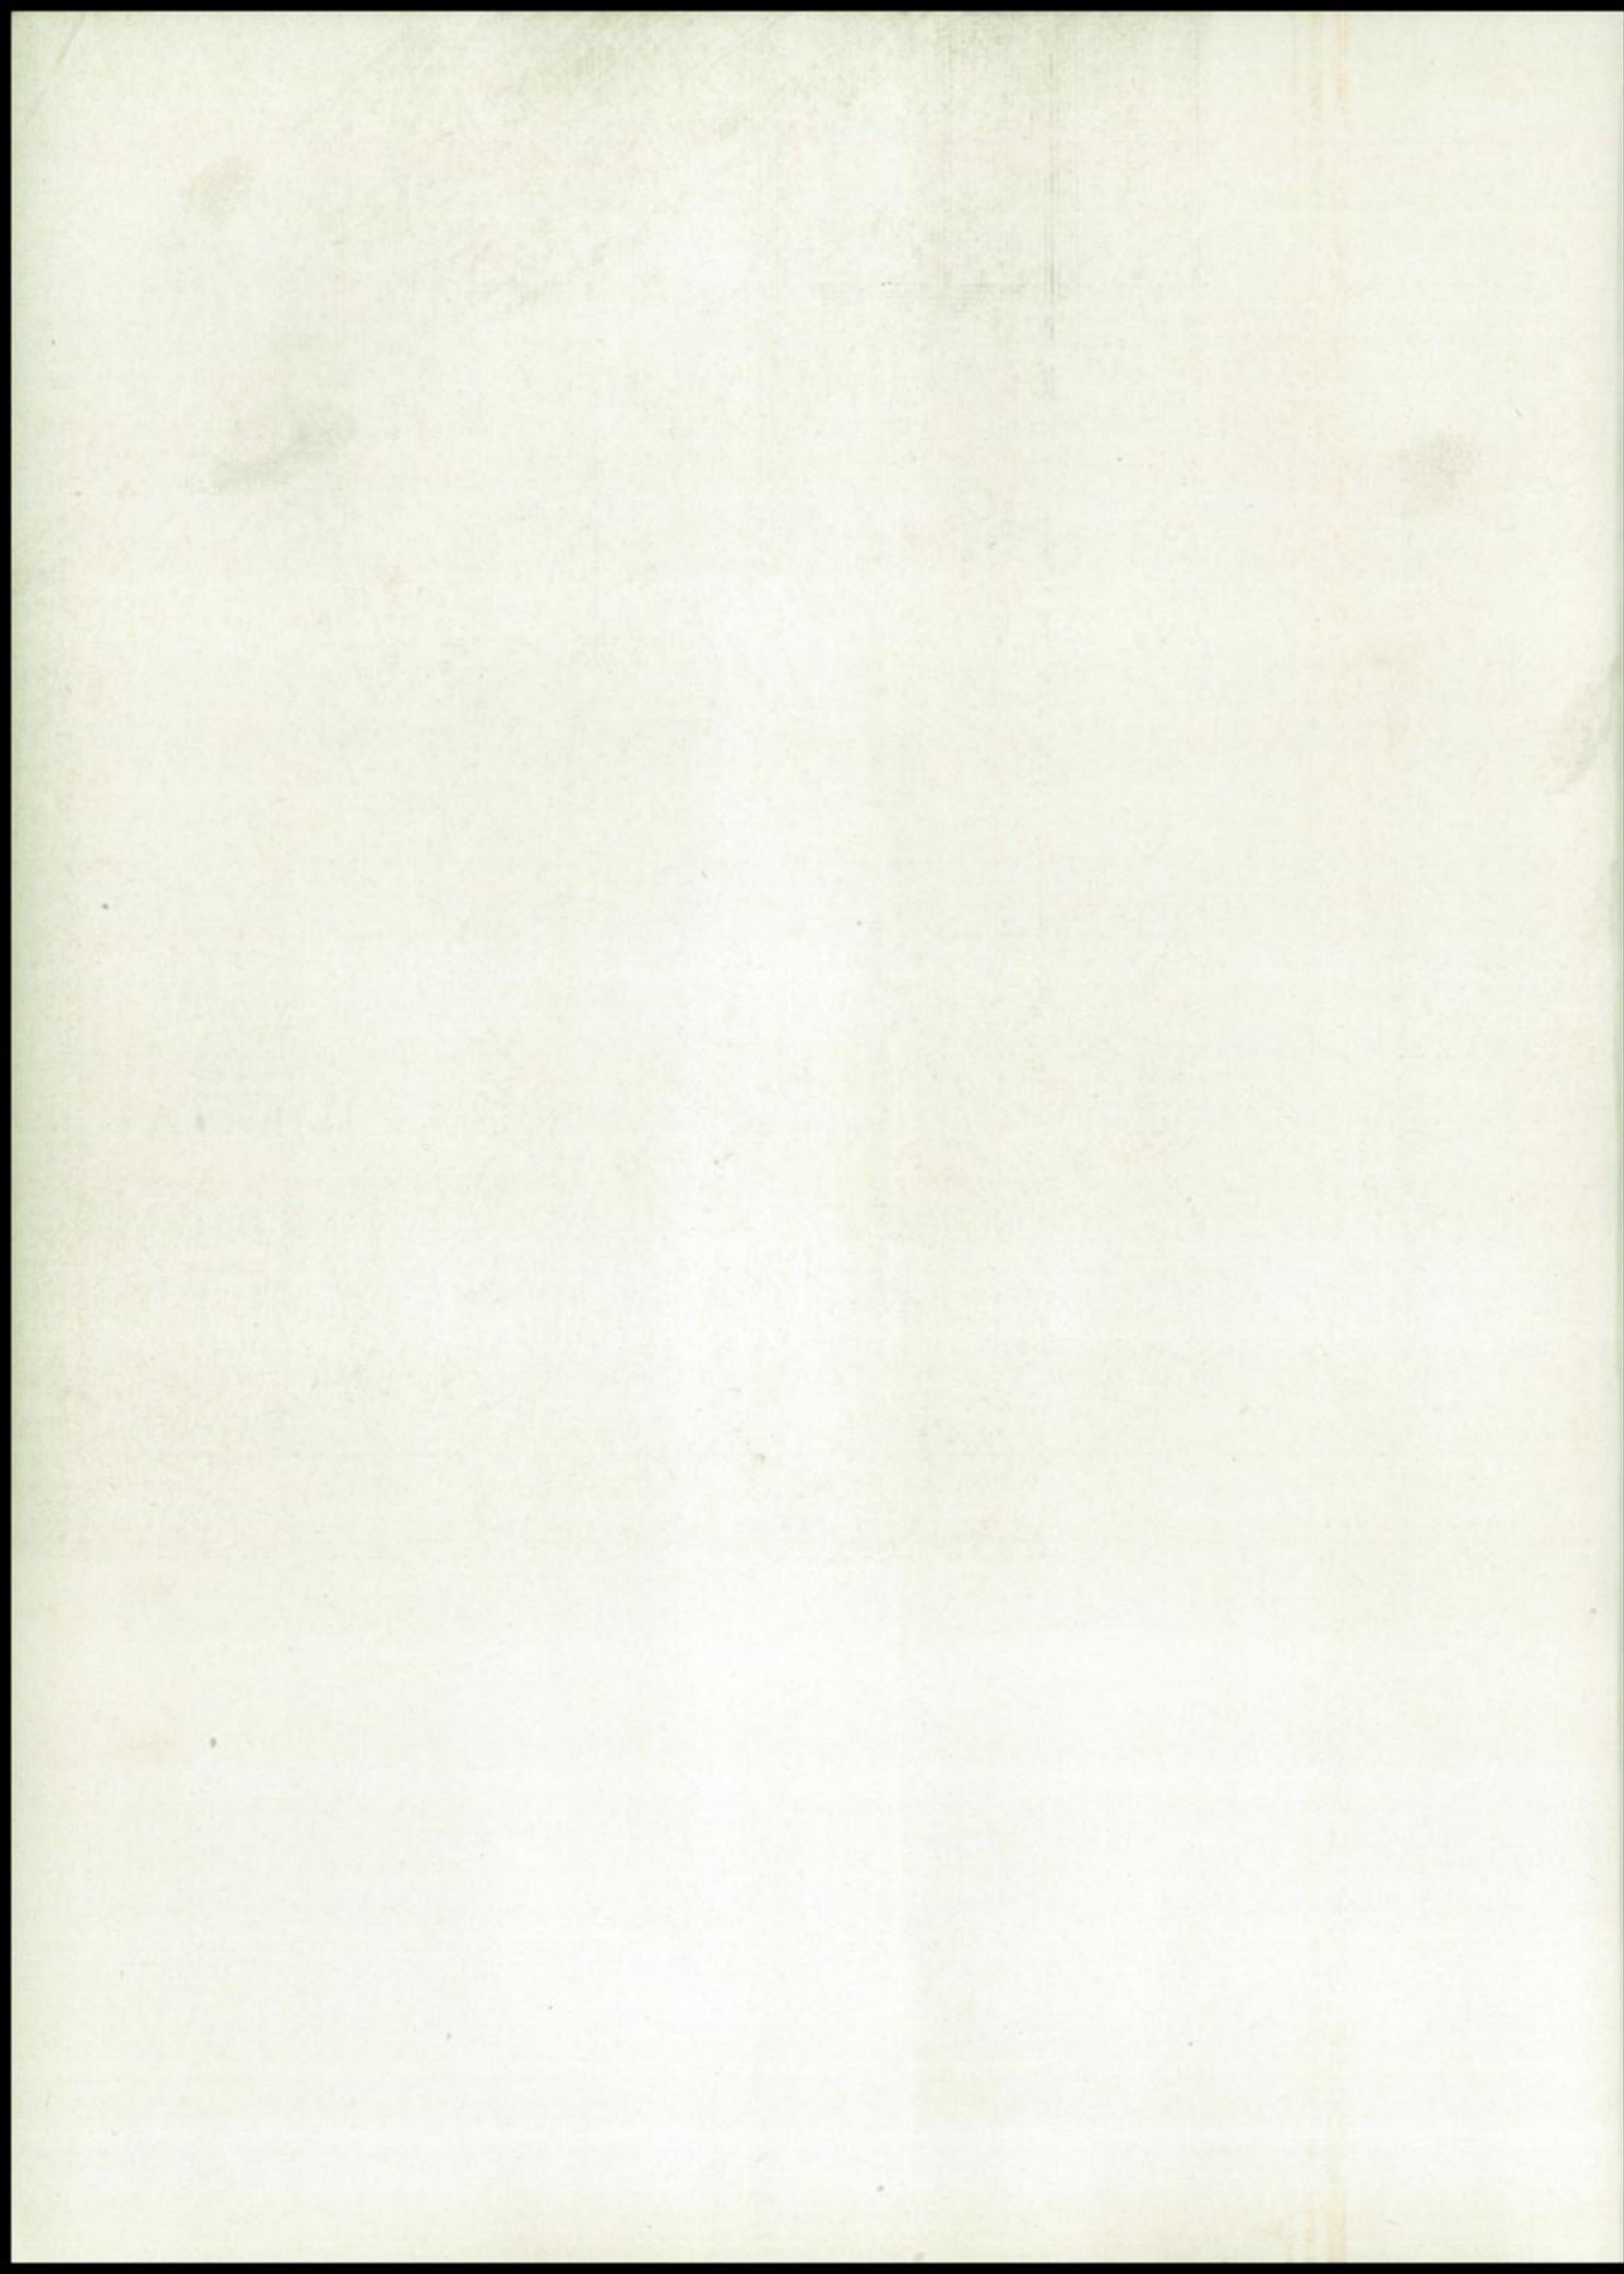

THE 1948 CACTUS

PUBLISHED BY THE SENIOR CLASS
MARION SENIOR HIGH SCHOOL
MARION, INDIANA

RICHARD TIPPEY }
DONALD COLE } CO-EDITORS

RAY LINES, BUSINESS MANAGER

THROUGHOUT the year you have noticed representatives of the Cactus at the various plays, activities, club meetings, and on the sports field. These members of the staff have been striving to record, through photographs and words, the memories of this school year. Here, then, is the final collection, bound between the covers of this book.

The binding thought, or theme is developed on Life at M. H. S. On the cover, as throughout the book, this idea has been incorporated into pictures and drawings for your enjoyment.

It is, perhaps, best that we dedicate this book to the Senior class; for it is the record of their last, most memorable year. To the underclassmen this book is mostly a record of the interim before they, too, reach the coveted honor of Senior-dom. We, therefore, proudly present to the underclassmen, the teachers, and mainly to the Seniors—THE 1948 CACTUS.

LIFE

*Top left—
All out for football!*

*Center—
Ballinger's boys browse!*

*Lower left—
Rubinoff provides longhair touch!*

*Lower right—
Coke date with Krupa!*

*Lower left opposite page—
William Tell rides again!*

AT MHS

Top right—
Time out for health's sake!

Center—
8:30 blues!

Left center—
Not all was study!

Lower right—
Hungry athletes shovel it in!

Lower center—
Two characters from Purdue!

STUDENTS

ACTIVE, THEY ENGAGE IN ORGANIZATIONS, ATHLETICS, AND PURSUIT OF KNOWLEDGE

Once again, as in years past, school started off with a bang. All the Soph's were scared to death of the big Seniors, but for some reason or other the Seniors didn't feel too big. Nothing really exciting happened for quite a few weeks. All of a sudden three classes and three different clubs started holding elections. The Senior class was represented by Tom Anderson, president; Bob Clark, vice-president; Mary Michos, secretary; and Don Searce, treasurer. The class sponsors were Miss Ethel Renbarger and Miss Marjorie Connelly. The Junior class chose Bob Conn, president; Drake Circle, vice-president; Wilma Baker, secretary; and Tom Deal, treasurer. The class sponsors were Miss Mildred Aveline, Mr. John Link (retired), and Mr. Willard Batson. John Banter served as president of the Sophomore class; Eddie Blocker as vice-president; Ronald DeWalt as secretary; and Eugene Swain as treasurer. The sponsors were Miss Marion Breadheft and Mr. E. J. Tillett.

Early in November, the Cactus Frolic was held to raise funds for the printing of the yearbook. A fine floorshow was presented.

According to tradition, the Student Council bought the Christmas tree, and the Soph's got the job of decorating it. At Christmas time the Annual Mother and

Daughter Tea was given. At last vacation! Two weeks to sleep late.

Finally the snow melted, the trees budged and everybody donned his spring clothes. The Easter Parade was the talk of the town. The Queen looked beautiful dressed in her majestic white. Her court added just enough color to make a gorgeous scene.

Around the first week in June all the underclassmen were slaving away in class while the Seniors were roaming around the halls. This was their week to howl. Finally June 3 arrived and we saw our Seniors march stately to the tune of Pomp and Circumstance, go up on the platform to receive their diplomas, and gracefully walk away from their last event during their career in high school. So ended another year.

SENIORS 1948

COMPLETING THREE FRUITFUL YEARS, THEY SAY GOODBY TO LIFE AT MARION HIGH SCHOOL!!

The self-assured fellow and girl, who swung past in loud senior cords, are a far cry from the same two we saw peeking timidly around corners in the fall of 1945.

And yet as we look back, we are all a little dazed to realize that three years have somehow whirled past us. With Kaye Hickman as president, Elaine Buck vice-president, Maxine Rickey secretary, and Jean Kelham treasurer to guide us as a sophomore class, we acquainted ourselves with the school and began to feel as if we belonged to it.

The second year here, the class of '48 elected Dan Scott, president; Frances Meredith, vice-president; Charles Nelson, treasurer; and Nan Carpenter, secretary. The juniors looked forward to the expenses of the next year and built up their treasury by selling basketball pencils, and sponsoring another dance. That year also saw us grasping the second rung of the ladder of school leadership. We wound up our year

with a "bang" by putting on the memorable Junior-Senior prom.

Now at last we had earned the right to wear those senior cords. Two years of learning and yearning had gone into them—and they looked it. We all knuckled down to hard work. Everyone helped to make this the really outstanding year. Graduation invitations were ordered, caps and gowns chosen, and slowly the fact dawned on us that we were going to graduate. Hard-working students put on an excellent Senior play. The lovely Baccalaureate service was something all of us will remember. At last we reached commencement. We were very elated when we marched in, but we were equally depressed when we switched those tassels around. It was not only 'at last' but also 'the last'. Yes, we've left Marion High, but we carry with us memories of fun, laughter, lessons learned, and friends made. A part of us remained and a part of the school went with us.

JUNIORS

THEY PREPARE FOR THEIR FINAL YEAR AT MHS!

Starting out its Junior year, the class of 1949 elected Bob Conn as president; Drake Circle, vice-president; Wilma Baker, secretary; and Tom Deal, treasurer. Class sponsors for the first semester were Miss Mildred Aveline and Mr. John H. Link. Mr. Willard Batson took the place of Mr. Link, who retired at mid-year. Before Mr. Link left, however, the students presented him with a Sheaffer pen and pencil set. He was greatly missed after his resignation.

Several projects were sponsored by the class during the year. The first project last fall was the sale of pencils with the basketball schedule on them. One of the mid-year functions was a dance held at the Y. M. C. A. after the Anderson-Marion basketball game. The Juniors elected three attendants and two flower girls from their class to represent them in the annual 1948 Easter Parade.

As the high-light of their Junior year, they sponsored the annual Junior-Senior

Prom. The prom was held May 14 with Gordon Arthur providing the music. The queen, elected by the Juniors, presided over the event. In honor of the Seniors, the Juniors shouldered all of the expenses for the dance.

An ice cream sandwich sale was the last money making project for the class of '49. These ice cream sandwiches were sold in front of the school during lunch hours.

Feeling that they now have claimed a definite place in the activities at high school, the Juniors lost some of their timidity and participated in more school organizations and activities. The class has contributed some valuable players who will fill the top posts next year in the field of athletics.

And now as the Junior Class looks forward to its final year, the seniors of '48 can feel sure that the seniors of '49 will carry on with a true spirit, the spirit of Marion High School.

SOPHOMORES

THEY BEGIN TO FIT INTO LIFE AT MHS!

The Students of the Class of '50 are no different from the rest of the students who have passed through M.H.S. halls during the last several years.

After the first confusing weeks of cautiously and timidly entering classrooms and scurrying through the corridors, the sophomores tackled their part of school activities, such as the Hi-Y, Y-Teens, Easter Parade, Cactus Frolic, activity clubs, and second team basketball, with enthusiasm.

Having completed the tasks of registering, making out programs, and attending the right classes, the election of class officers was held. The following officers were chosen to lead the class: John Banter, president; Eddie Blocker, vice-president; Eugene Swain secretary; and Ronald DeWalt, treasurer. Miss Marion Breadheft

and Mr. E. J. Tillett served as class sponsors.

For the first real project of the school, the sophomores bought the decorations and trimmed the annual Christmas tree, located in the front hall. Those who noticed the tree will agree that the sophs did a good job in decorating it.

They participated in the Student Council Talent Show, producing some fine talent for the entertainment of the students. The class was also represented by Mary James, who served as Senator on the Student Council. This class also sold chances on the ham and the radio at the Cactus Frolic.

The class of '48 may graduate convinced that the class of '50, like all previous classes, will ably carry on responsibilities which fall to the student body each year.

FACULTY

UNDERSTANDING, THEY ENDURE OUR TRIALS AND TRIBULATIONS AS WE PREPARE FOR THE FUTURE

The entire teaching staff of Marion met in the morning of the first day of school. Plans were made then to carry us through the school year.

Later in the fall a party was held at the home of B. H. Penrod for the faculty of Marion High School. At that time all recent additions to the staff were initiated into the inner realm of the school's circle. About this time our teacher's attention was claimed by the annual Institute at Indianapolis. This found many of the faculty studying and cramming as much shopping as possible into the two days.

The Cactus Frolic in November is deeply indebted to the help they gave us for its success. They expended a great deal of effort to make sure that all had a good time.

At the end of the first semester, while students enjoyed a vacation, the teachers recorded grades. It was then that a banquet was held for Mr. John H. Link, who left in order to take a trip to Florida. Miss

Elsin Tillett replaced Mr. Link. Mr. J. Robert Rothhaar took over the classes of Miss Betty Lynch, speech and dramatics teacher, who then returned to Purdue for further training. Among others taking further training were Miss Renbarger, Miss Case, Miss Breadheft and Mr. Cole. They attended the Audio-Visual Course of the Indiana University Extension.

The fine co-operation between faculty and students brought about the Easter Parade and made it an outstanding event of our school year. We, of Marion High, extend a heartfelt thanks to our teachers.

The Faculty

E. D. MILHON, B.S., M.S.

Principal of Marion High School

Mr. E. D. Milhon has completed 20 years in the public schools of Indiana. Five years of his experience were in the elementary schools and five in the high schools of Morgan County. Three years were spent in Attica as Junior High and High school principal and seven years in Marion as Junior and Senior High school principal.

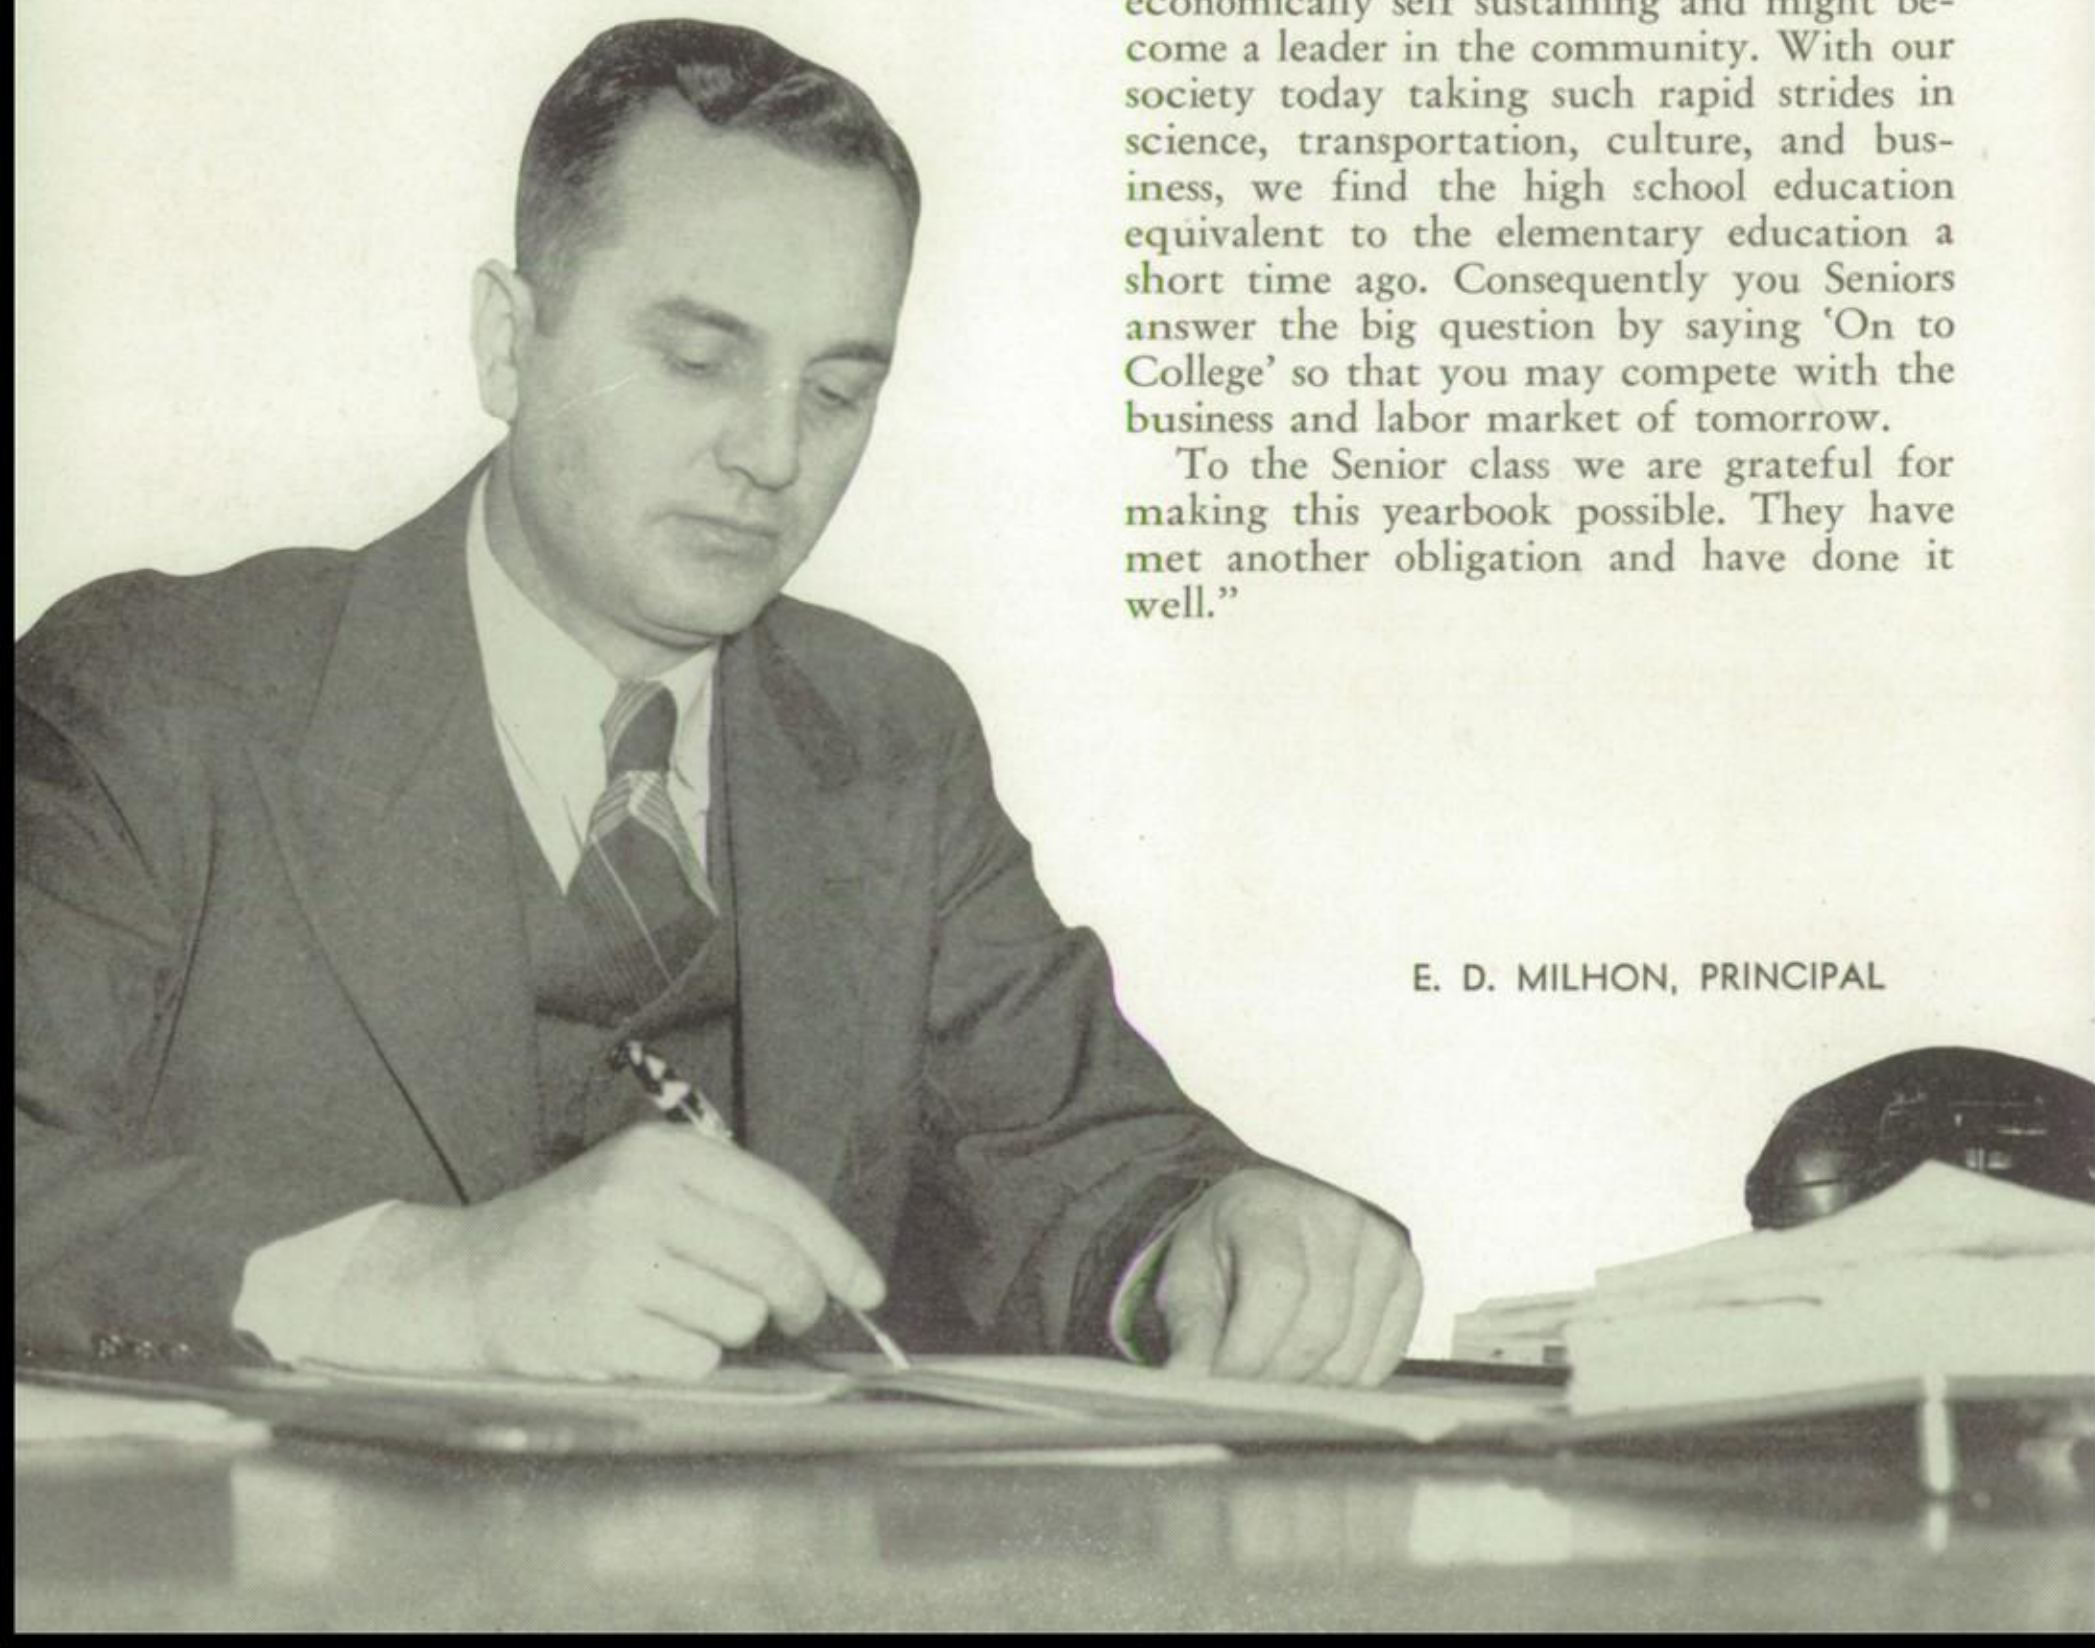

Mr. Milhon says:

"The primary purpose of Marion High School is not to make the student a finished product . . . a doctor ready to practice medicine . . . a carpenter ready to build a house or a student prepared to take a C. P. A. examination, but we do hope to give each student the fundamentals necessary to go into the laboratories of higher learning and make a worthwhile contribution to the society of which he is a part.

Twenty-five years ago a student with a high school education could expect to be economically self sustaining and might become a leader in the community. With our society today taking such rapid strides in science, transportation, culture, and business, we find the high school education equivalent to the elementary education a short time ago. Consequently you Seniors answer the big question by saying 'On to College' so that you may compete with the business and labor market of tomorrow.

To the Senior class we are grateful for making this yearbook possible. They have met another obligation and have done it well."

E. D. MILHON, PRINCIPAL

ORVILLE J. HOOKER

Superintendent of Marion Public Schools

Orville J. Hooker shoulders the headaches of the Marion Public School system. As superintendent, he has the responsibility of planning the schedule of the educational program for the several schools of the city.

This includes the formulation of the curriculum, provision of textbooks, maintenance of the buildings, grounds, and equipment, and seeing to it that the necessities for good education are provided for the more than 5,000 school children of Marion.

Mr. Hooker has performed and is performing his duties very successfully. He has arranged the plans in such a way that vocational courses and the visual training programs have grown by leaps and bounds.

In addition to the fine job he is doing at the present, Mr. Hooker has even greater plans for the future. He hopes to help bring about erection of new buildings, the introduction of more courses in various fields, an increase in adult education, and better recreational facilities for all students.

THE DEANS

GLADYS NEAL

Dean of girls

"One does not go to school to prepare to live; one lives at school as a means toward continued and better living" is a bit of philosophy of Miss Gladys Neal, dean of girls. She feels that the guidance of students toward this goal is the real objective of teachers and counselors. Girls are her special interest and all projects for their welfare are her duties. In addition to her personnel work Miss Neal sponsors the Student Council and the Service Group of Y-Teens, is co-sponsor of the newly formed Ushers' Club and teaches in the Latin department.

BERNARD D. CARMIN

Dean of boys

Mr. Carmin, who is kept busy administering to the needs of the male students of M.H.S., leaves us with this bit of philosophy . . . "Cultivate the habit of learning something daily and accept criticism with an open, appreciative mind. Express yourself if it will help conversation, but abstain if it will detract. Be independent in thought, yet ambitious, but always be tolerant. Be truthful ever and encourage 'humor' for it will help you over the rough spots until you attain—what I know you will attain finally—Satisfaction of Living."

SPORTS

EXCITING, THEY PROVIDE WELCOME DIVERSION FROM THE CLASSROOM

As Marion High School ends the 1947-48 athletic season the students can look back with pride over the year's achievements in the field of sports

The football team started off the year's events and came through with a credible 6 won and 3 lost record. This was good for a 5th place in the N.C.C. conference standing.

The Cross-country team, running about the same time as the football schedule had a poor record as they lost 4, won 1 tied 1. They placed second in the county and fourth in the conference meet.

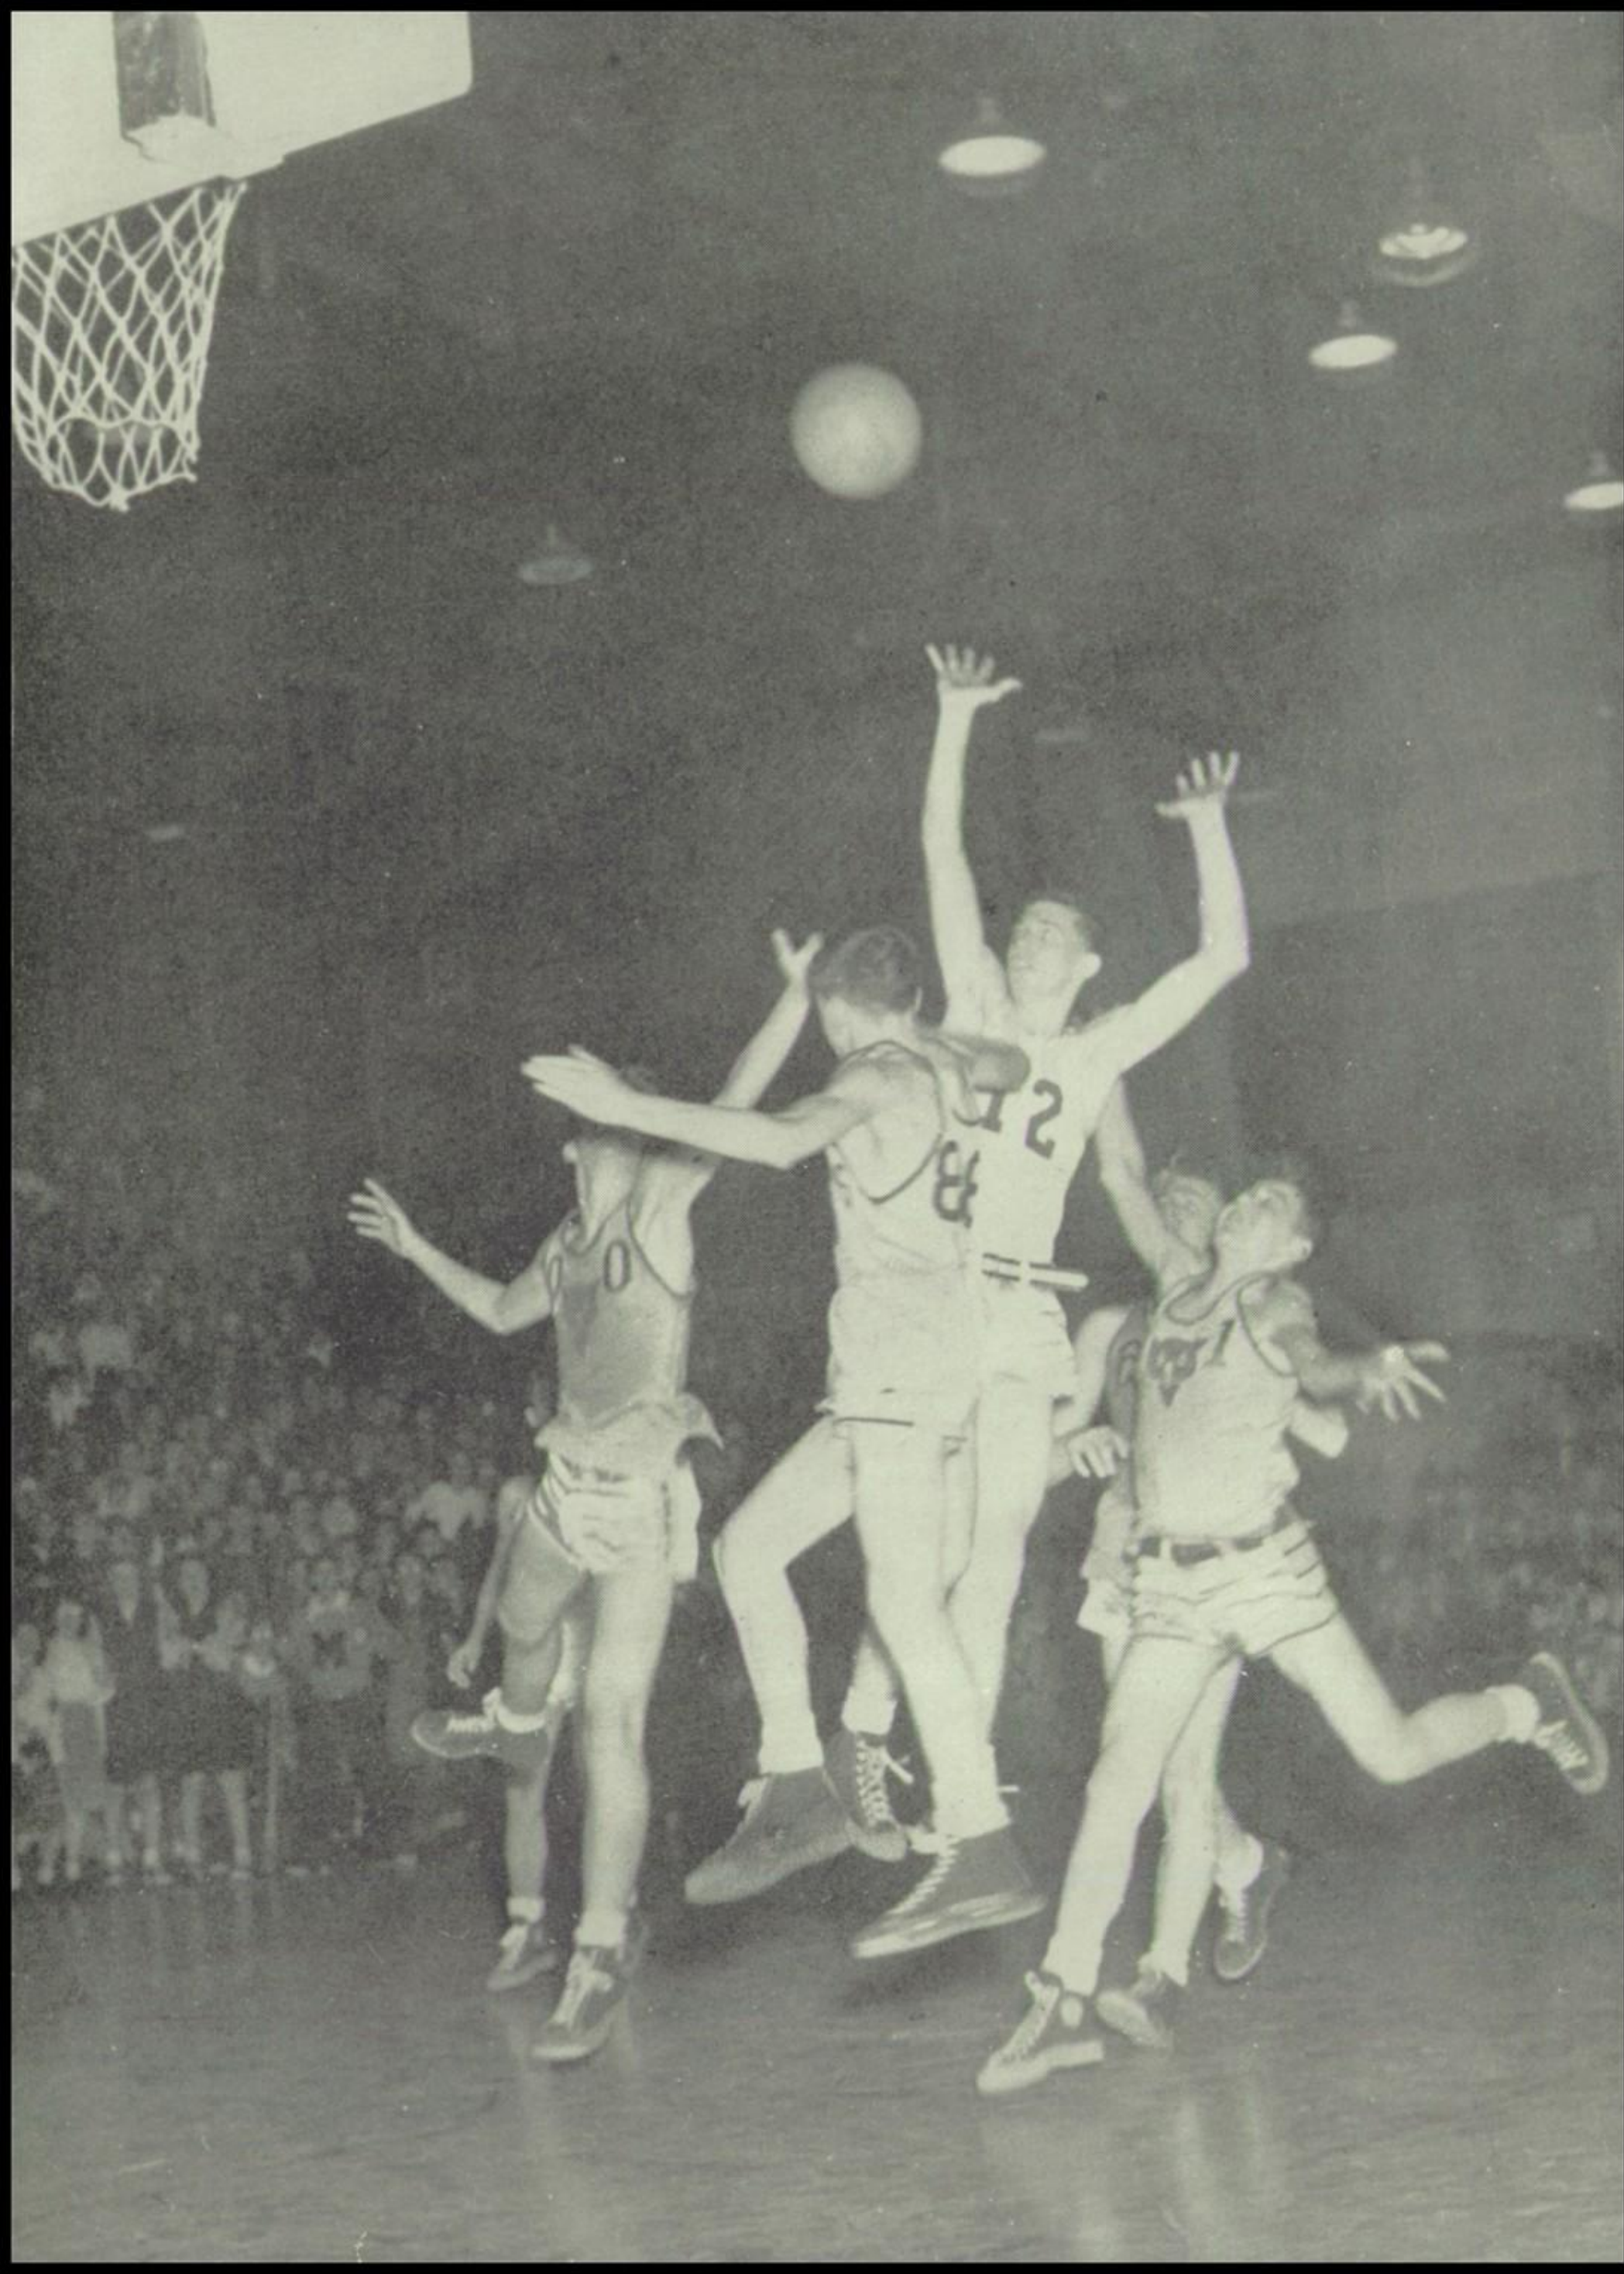

Then in November, the Giants basketball mentor, Woody Weir, started his boys in an arduous 18 game season. The boys played well all season; although only occasionally did they show any exceptional form.

It was an altogether different team, though, which steam-rolled over 2 sectional opponents and then beat our traditional county rivals, Gas City, 8 points for the Sectional crown. Amid cries of "On to

State!" our boys, for the second consecutive Saturday afternoon overpowered a hapless opponent. Then, in the evening game the Giants valiantly succumbed to a red-hot Wabash County team, who bombarded the hoop for an amazing .400 percentage. Thus the Giants ended their 1948 season with a record of 13 wins and 12 losses. They well deserved the proud "Well Done" from the student body.

In the spring, the baseball and track teams took over the spotlight. Both of these turned in good seasons to round our Marion's sport activities for the year.

Ass't Coach

CLEM WOLTMAN
Head Coach

JOHN STONE
Ass't Coach

JOHN STONE

A new face seen around the Giants training camp this year was John Stone. A graduate of M.H.S. John attended Ball State and played fullback for the Cardinals. During the war he served in the armed forces and upon release, returned to Marion to serve as assistant coach.

DWIGHT HUTCHESON

"Hutch" started playing football with the Marion Giants. After graduating from Marion High School he attended Ball State where he was a three letterman, winning letters in football, basketball, and tennis. After College, "Hutch" came to Marion to coach freshman basketball at McCulloch.

MARION GIANTS GAIN

CLEMENT J. WOLTMAN

Clem has been at Marion three years now as head football coach. During these three years he has had two successful seasons and one fairly good season.

Clem started playing football in South Bend where he played on the varsity eleven in high school. After graduating he went to Purdue University, where he played with the Boilermakers, and while there he got honorable All-American mention at tackle. Upon graduating from Purdue, Clem signed with the Philadelphia Eagles to play pro ball. After three years in the pro league he dropped out and started coaching. When the war came along, Clem joined the Red Cross and served for four years; he then came back to Marion to coach the Giants.

WOODROW (WOODY) WEIR

A well known figure in the coaches dressing room is Woodrow "Woody" Weir, Marion's earnest basketball coach. Not yet fully engaged in his basketball duties, Woody found time to assist Woltman and company by scouting the opposition, and helping relieve Clem of routine duties necessary to the gridiron gladiators.

Woody is a graduate of Indiana University where he captained the basketball squad and twice won the coveted Balfour award. He has coached basketball at Vincennes and Jasper in Indiana and was freshman coach at Stanford University in California for a while.

FIFTH PLACE IN N. C. C. GRIDIRON CONTEST

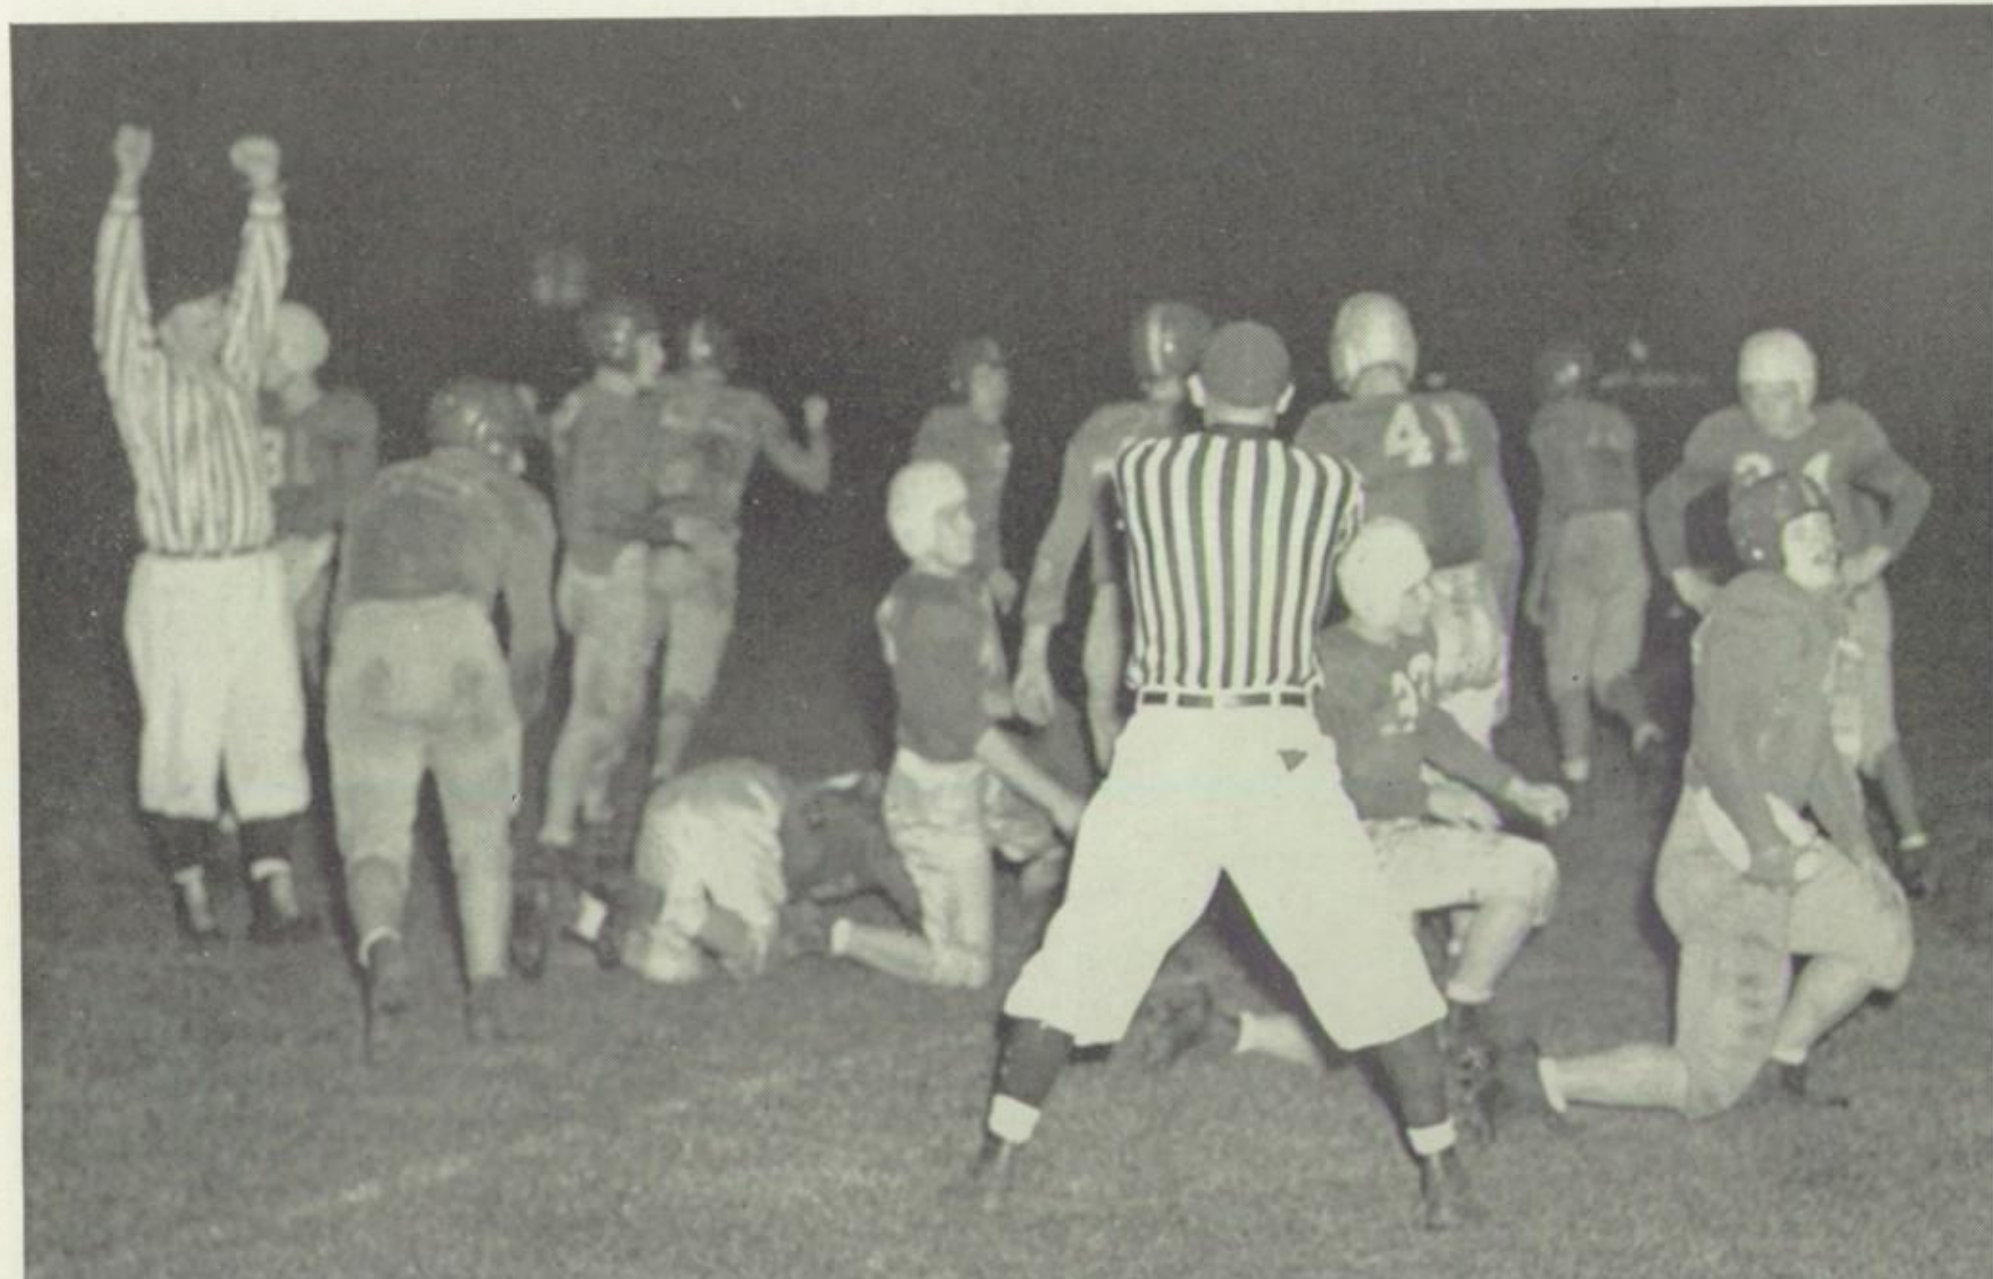

The Giants' 1948 Grid campaign was a great success under the able direction of head coach Clem Woltman and his assistants, Dwight Hutcheson, Woody Weir and John Stone. These men drilled the Giants this season on a rapid fire type of football, geared to take advantage of every break.

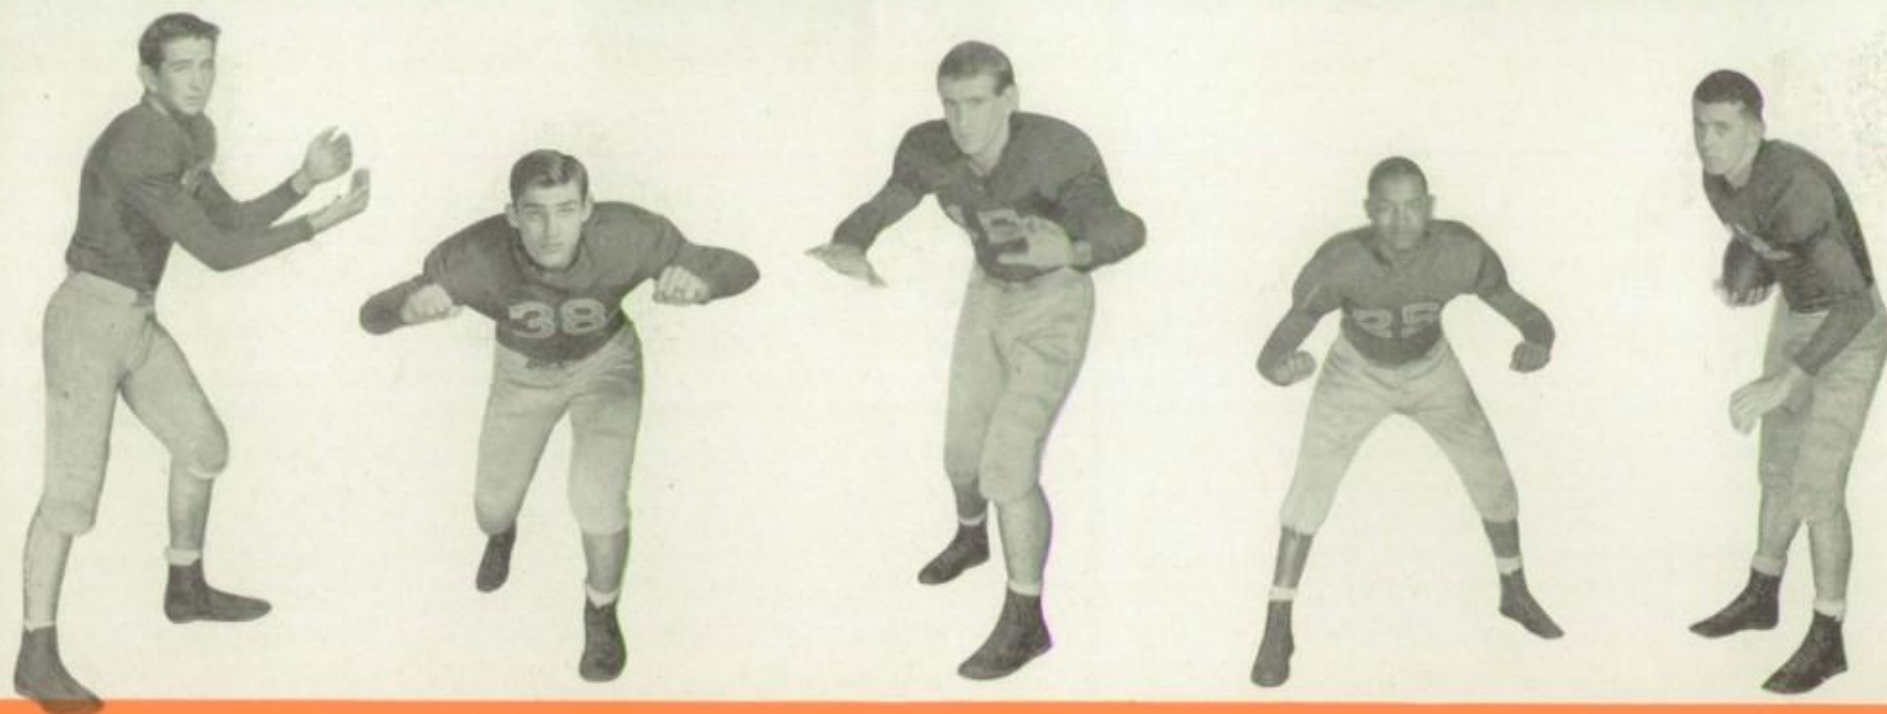

Practice began on August 15 with about

70 boys responding. Early practice sessions were held in the morning and late afternoon in order to prepare the team for the first game which was played on the opening day of school.

This year the coaches found a good foundation upon which to build an excellent team, for several lettermen of the pre-

TUCKER MOWS ELWOOD FOR TOUCHDOWN TO AID CAUSE

CLARK

BRADLEY

DIXON

BOWLDS

FERGUSON

vious year appeared in uniform. Among these were Dick Tucker, Martin Lhamon, Xen Stewart, Rocky Jones, Dick Stephenson, Charles Polston, Charles Bradley, Cantrill Gulliford and Tom Rigsbee.

The boys, combining pre-season enthusiasm with frequent showings of mid-season performances, proved that the material and improvements, which the Giants had lacked in the last year had again been found.

In actual competition the Giants won six out of nine games. Averages for the season showed that the Giants played better ball than their opposition in about every department of the game.

Marion's grid machine defeated the Huntington vikings in the seasons opener by a score of 34 to 12. The Giants dropped their next encounter to the Wildcats from Kokomo by a 25 to 6 score but then blasted into a three-game winning streak over Logansport, Anderson, and New Castle. This streak was halted at Muncie when the Bearcats handed the Giants a 26 to 6 setback. The same thing happened the following week when the Broncos of Lafayette defeated the Giants 25 to 6. These two defeats sharpened the Giants' team play and sent the Marion lads on to victory over Elwood and Wabash. The win over Wabash brought the Victory Bell back to Marion after a year's absence.

BLOW BY BLOW

Marion 34 — Huntington 12

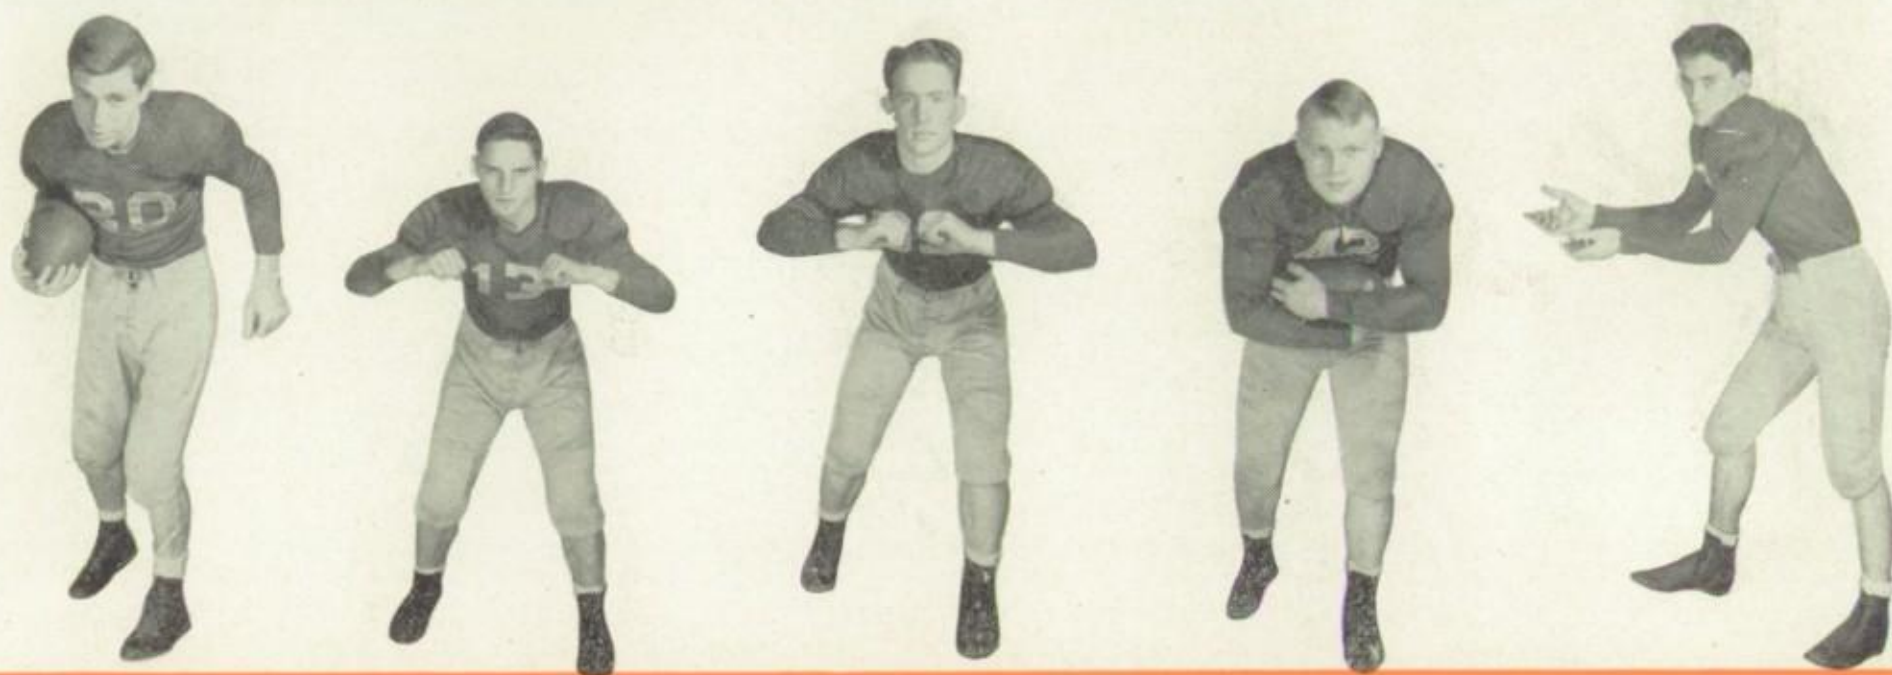

After weeks of tedious practice, the M.H.S. gridgers opened their season on the home field against the Huntington Vikings. The long hours spent in getting in shape proved very useful as a smoothly running Giant team shoved the Vikes all over the field to score almost at will.

Marion 6 — Kokomo 25

In the second game of the year the Giants traveled to Kokomo to be met by a harder-fighting, more experienced team. Kokomo slammed over the first touchdown in the first quarter, but failed to convert. In the second quarter Zen Stewart, flashy Marion fullback, culminated a prolonged drive to tie the score at half-time, 6 all. Kokomo again turned on the power to race rampant over the field for 2 touchdowns in the third quarter. Adding to Marion's misery, they scored again in the fourth quarter to hand us our first N. C. C. setback.

Marion 12 — Logansport 7

In the third gridiron clash of the year, Marion carried off the honors over Logansport 12-7. The Berries took the offensive

SISSON

POLSTON

SHIRAR

TUCKER

BROOKSHIRE

early and rammed home for their only score of the ball game. The boys fought back in the second quarter to bring the score to 7-6, Logansport, at the half. Seemingly inspired by Coach Woltman's halftime pep talk, the Giants turned on the steam again in the third quarter, surging ahead, 12-7. In an exciting fourth quarter Marion staved off the Berries last bids for touchdowns to take their second victory of the season.

Marion 13 — Anderson 0

It was a poorly manned Anderson eleven that journeyed to Marion for the gridiron contest. Our boys had no trouble in defeating the Indians to the tune of 13-0. Sparked by Mel Ogden's passing and running, the Giants trampled mercilessly over their hapless opponents. Our boys racked up large margins in all statistics over the Indians. This was Marion's third win against one reverse.

CLEM PREACHES TO HIS FLOCK OF GLADIATORS

Top Row—coach Hutcheson, coach Weir, Vardaman, Lhamon, Jones, Pinkerman, Clark, coach Stone, head coach Woltman.
Middle Row—Williams, Polston, Stewart, Sisson, Tucker, Bowlds, Ferguson, Shirar.
Bottom Row—Dixon, Weaver, Bradley, Rigsbee, Ogden, Nelson, Stephenson, Carl.

Marion 18 — New Castle 13

Marion continued in her winning ways as she set back a valiant Trojan team, 18-13. Both teams showed up poorly in the first half as there was only one first down made by either team. In the second half, however, Marion took a quick lead which was soon knotted by New Castle. New Castle then surged to the fore with another quick touchdown which gave them a 13-6 lead. Marion then sustained a determined drive which was climaxed by Ogden's drive from the 6. Lhamon failed to convert, however, and the scoreboard read 13-12. From then on it was anybody's ball game with the Trojans holding the top hand. Then, with 17 seconds between them and defeat, the Giants, with the able arm of Ogden, passed 15 yards to Jones who raced to the victory-giving touchdown. Lhamon's attempt at conversion after the final gun was no good but the deliriously happy Marion fans failed to notice.

Muncie 26 — Marion 6

In one of the most crucial games of the season, Marion stayed abreast of a seasoned Bearcat team for 3 quarters, only to be beaten decisively in the fourth. The Cats scored first, but Marion retaliated to leave the score 7-6, Muncie, at halftime. In the second half the Bearcats able supply of reserves began to tell on the Giants and in the last quarter the Bearcats slammed over 3 touchdowns to hand the hard-fighting Marion team a stinging defeat.

Lafayette 25 — Marion 6

It was bad breaks all the way for Marion as Lafayette's Broncos romped roughshod over a hapless Giant eleven, 25-6. The Giants started the game off well enough, but the spark soon died out and they were just another ball club. Jeff scored in each quarter and it was not until the final canto that Marion scored with Stewart lugging the pigskin.

Top Row—coach Weir, coach Hutcheson, Jackson, Searce, Kaminsky, Cole, Courtney, coach Stone, coach Woltman.
Middle Row—manager Hunt, Shinault, Gardner, Kelham, Cain, Gowin, Gore, manager Pence.
Bottom Row—Winchell, Berger, Herring, Everhart, Brown, L. Smith.

Marion 14 — Elwood 13

In the hardest contested game of the season the Giants defeated the Elwood Panthers, 14-13, to prove the worth of our expert place kicker. In the first half things looked bad for Marion as they were badly outplayed by a red-hot Panther team which scored twice. In the last half, however, things were different. With Tucker sparking the team along, our boys drove to two touchdowns. Martin Lhamon, who calmly booted the winning point with less than a minute to go, won the game for Marion.

Marion 18 — Wabash 7

In the final game of the year, Marion turned on the heat against our traditional rivals. Both teams battered away at each other through an uneventful first quarter. Then in the second canto Marion rolled to its first touchdown. After the half, Wabash drove to the Marion 7 from which our boys took over. Behind fast interference Rocky Jones broke into the clear and

raced 87 yards to score the second touchdown of the game. The Apaches scored only once before Ogden put the game on ice with a pass to Jones for the final touchdown. This game again gave possession of the prize Victory Bell to M.H.S.

MEN BEHIND THE TEAM—
MGRS. PENCE, MESSERSMITT, AND HUNT

"B" FOOTBALL TEAM

The unheralded players of the football squad are the "B" team members. These boys are usually the members that make up the following year's varsity squad. "B" team members are the boys who practice the opposing team's offense and then use it in scrimmage against the varsity team so as to get them acquainted with their opposition's offense and defense.

Dwight Hutcheson has been the coach of the "B" team since his return from the U. S. O. in 1945.

This year the team played three games, one with Kokomo and two with Anderson. The Little Giants beat the Papooses once and tied them once, but like their big brothers lost to the Wildkittens.

The "B" team may not get the publicity that the varsity does; nevertheless, they practice just as hard.

JACKRABBIT STEWART LUGS THE LEATHER

BASKETBALL

NO COACHING FROM SIDELINES

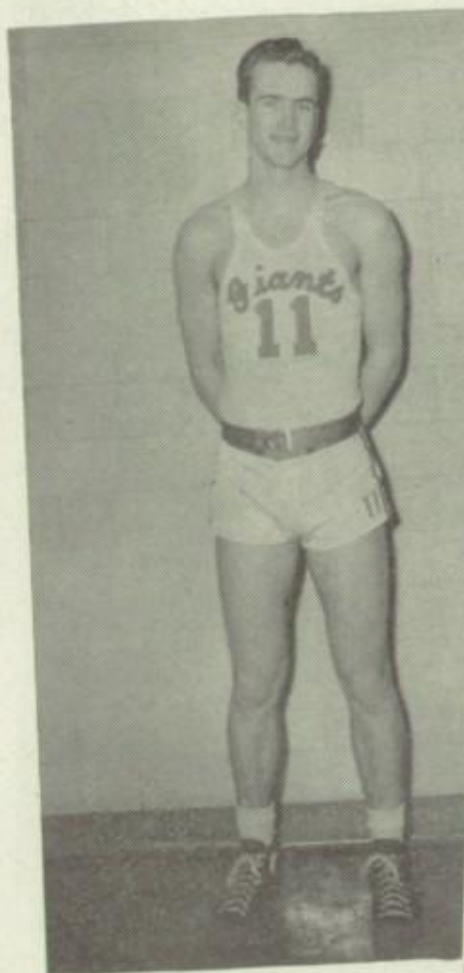

When the 1947-48 basketball season rolled around the Marion Giants were a team to be feared, for the year before they had been one of the four final teams in the State, and this year the team would be composed of some of the same personnel.

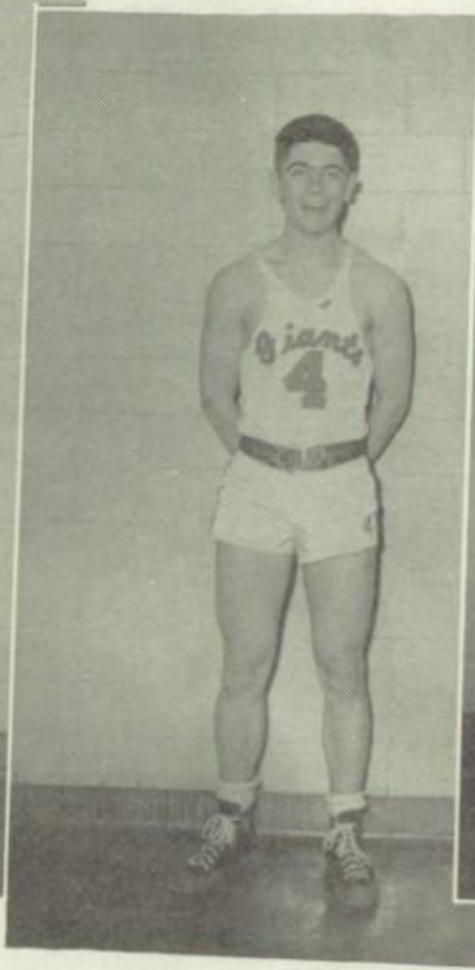

The season opened against a mediocre Greentown squad and we won the game easily. This was followed by their first loss after which the team met their second defeat, by losing to a determined Elwood five. The Giants won one more before losing a thriller to the Anderson Indians. The following night the boys traveled to Ft. Wayne only to lose another close one to the Central Tigers. Marion's arch rival the Kokomo Wildcats were the next victims of the Giants attack. The season wore on and at the end of 18 regularly scheduled games, we had won 8 and lost 10 contests.

When tourney play began the Giants were not picked by most sports writers to win their own sectional, but they came through by defeating the Gas City Tigers in the final of sectional play.

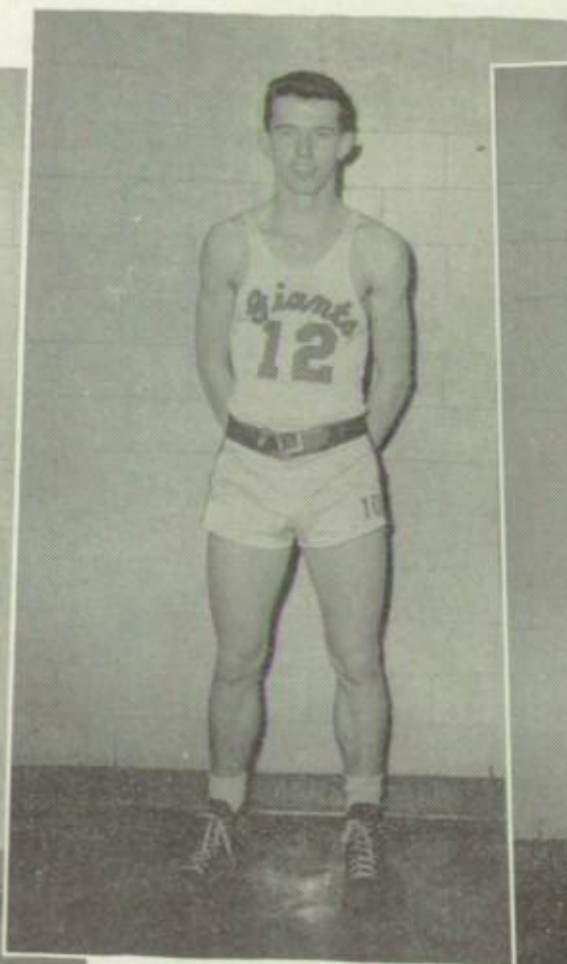

In the first game of the regionals Marion downed their opponents easily but in the final game they became the victims of the undefeated Chester Township squad. They met their defeat gracefully and closed another fairly successful season with 13 wins and 12 losses including all tourney games.

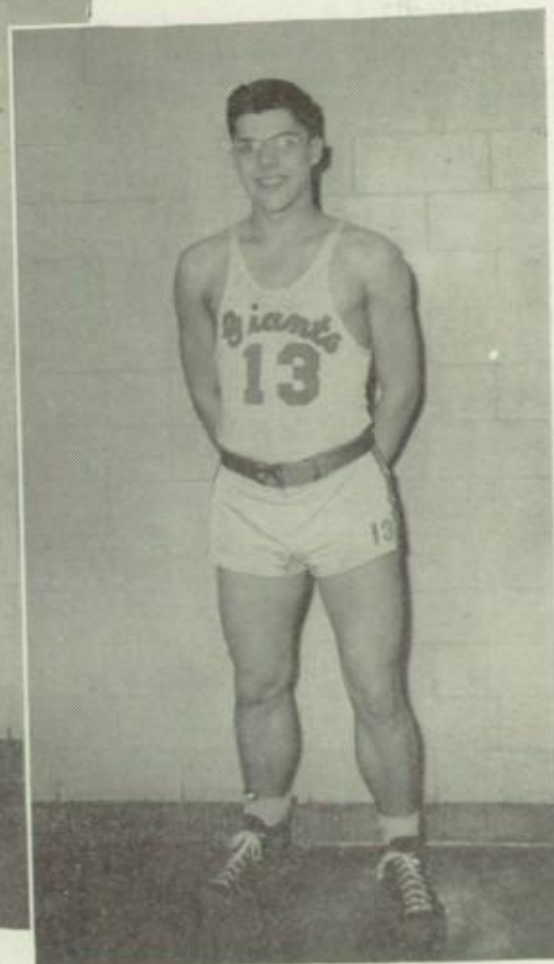

ART BROWN

JIM HOY

RALPH FERGUSON

DON GUGEL

GIANTS BOAST GOOD RECORD

WOODROW (WOODY) WEIR

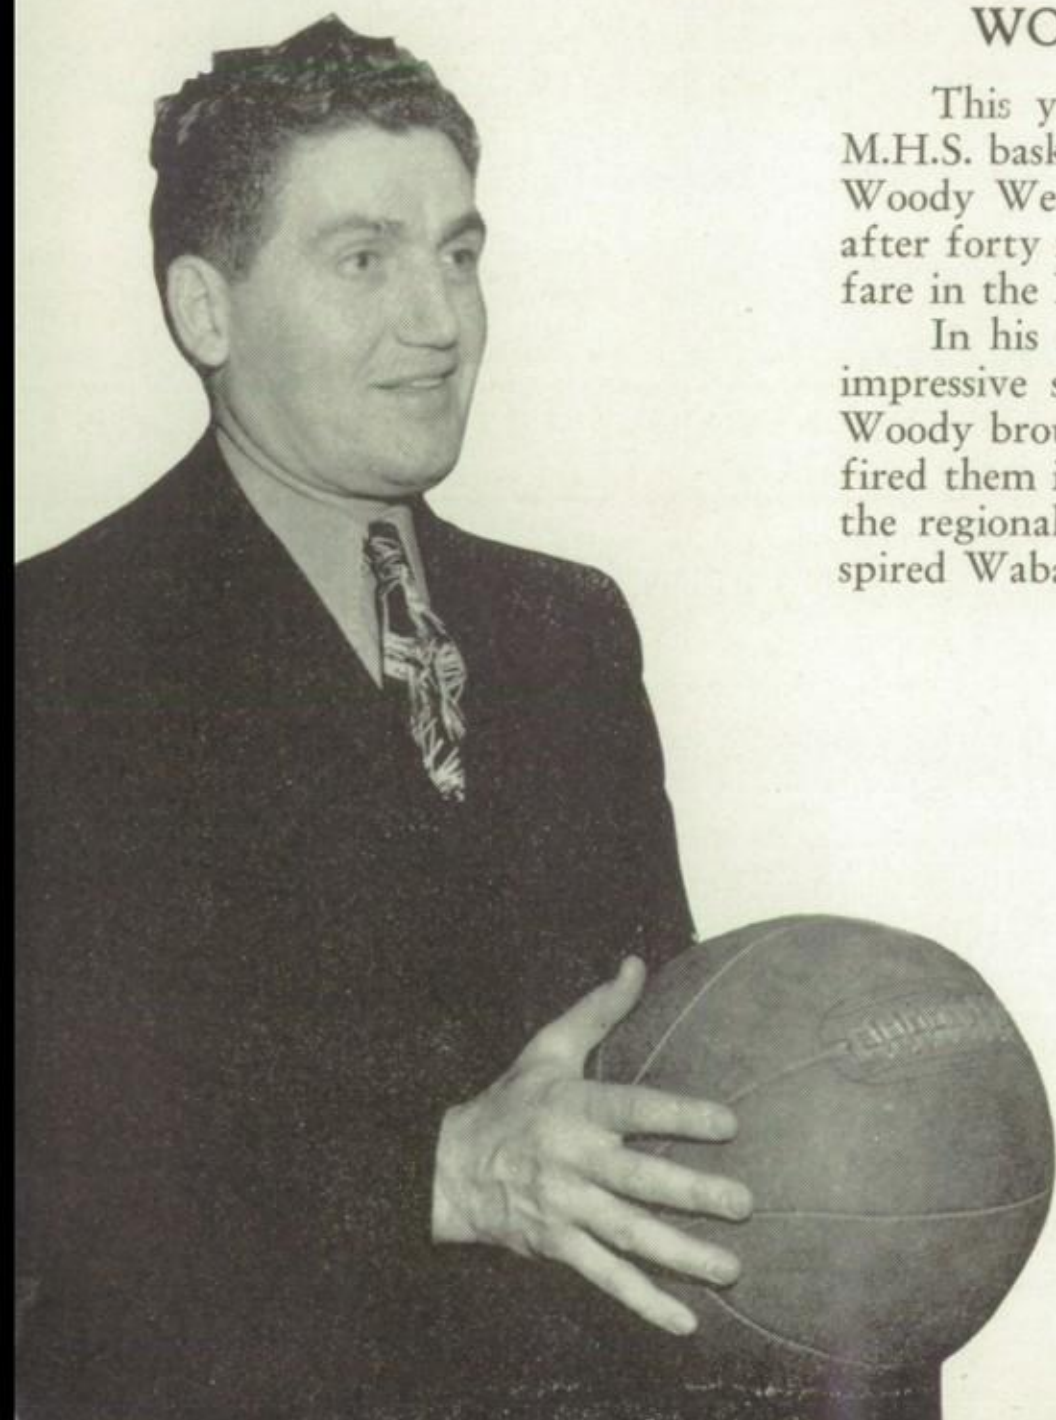

This year culminated the second straight term of M.H.S. basketballers under the skillful guidance of Coach Woody Weir. Woody came to Marion as coach in 1946 after forty months as a lieutenant in anti-submarine warfare in the North Atlantic.

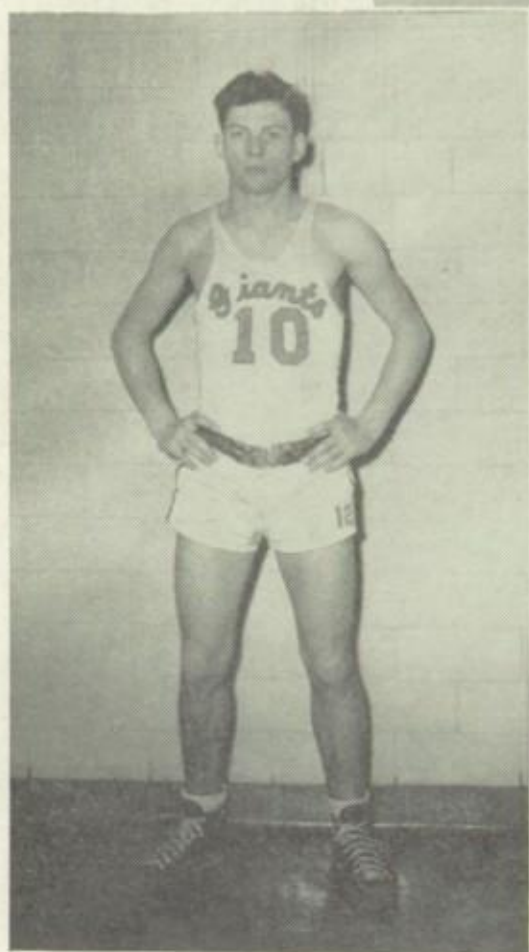

In his first year here, he led the Giants through an impressive season and on to the State finals. This year Woody brought the boys through a good season and then fired them into the tournaments till, in the final game of the regionals, they were trampled mercilessly by an inspired Wabash county team.

Mr. Weir graduated from I.U. in 1934 with an A.B. degree. Playing on the Hoosier varsity for three years, Woody attained the captaincy in 1933-1934. In both these years he was given the coveted Balfour Award for superiority in Athletics.

★ ★ ★

Ralph Ferguson, high scorer in the N. C. C., spark-plugged the team to many a victory this year. Ralph, playing at guard, featured a one-handed layup after a drive in through the foul circle. He also hit one-handed long shots.

DICK STEPHENSON

BOB CONN

BAYARD KING

CLYDE JAMES

The tallest man on the team, Art Brown, saw plenty of action below the foul circle on rebounds and tip-ins. Always deadly under the basket and at the free throw line, Art posed a constant menace to the opposition.

The third senior on the squad, Don Gugel, saw only limited action this season due to some defect in eyesight. When in action, however, Don was deadly anytime he broke clear.

Jim Hoy, diminutive senior guard, kept the opposition constantly on the alert for fast breaks as he was one of the speediest men on the team. Jim was an ever poised threat to the opposition due to his flashy ball handling.

Returning next year is Clyde James, who, while not being an aggressive shooter, was an excellent person under the basket for rebounds. Clyde saw much action at pivot position and proved to be a good ball handler.

Bayard King, a short, redheaded junior guard, saw much action this year. Bayard repeatedly thrilled the crowds with his two handed set shots which ripped the net from far out.

A new comer to the Giant squad was Bob Conn. Bob's accurate one-handed push shots from behind the free-throw line always made him a threat to the opposing team.

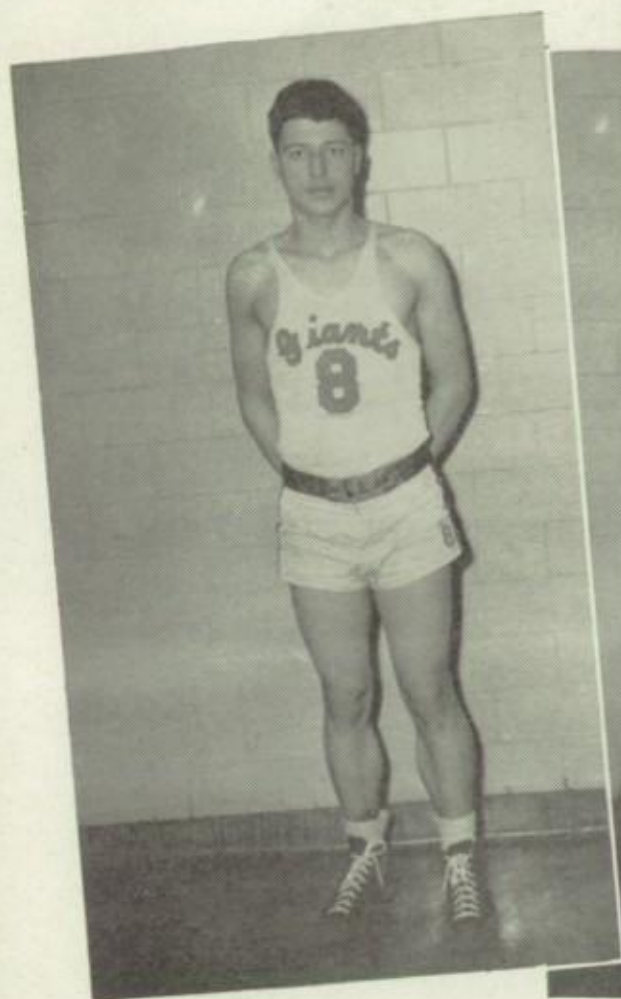

Dick Stephenson, returning next year, is remembered chiefly for his defensive work under the basket. Dick was a capable relief man when the players were benched for instructions.

Although he saw most of his action with the Little Giants this year, Donnie Carl was certified with the team for tournament play. Don saw his action at guard and is an aggressive offensive player.

Don McCroskey, speedy guard, saw considerable varsity action this year; very fast on his feet, Don constantly harrassed the opposition with his ball-hawking.

One of the only two sophomores on the team, Pat Klein, played very little "A" team ball this year. Being tall, Pat plays at center or forward.

Cantrill Gulliford, the remaining sophomore, also saw most of his action with the "B" team but he was certified for tournament play and handled himself well for his limited experience.

STUDENT MANAGERS

When the basketball season rolled around this year it was Gene Connelly and Robert Dillon who shook the mothballs from the Giants uniforms. Although for the most part unheralded, these boys were always willing to devote their spare time to the Giant cause. Gene completed his second year at the managerial post while Bob served his first term.

← EUGENE CONNELLY—Manager

"B" TEAM HAS FAIR SEASON

With an eighteen game schedule, Clem Woltman's reserve team had a full season. This year's squad was composed mostly of sophomores, who promised to be valuable material for the coming seasons. Two of these boys, Cantrill Gulliford and Pat Klein, earned varsity berths during the season.

In their opener against Greentown the Little Giants had a fairly easy time downing the Little Beavers; however in their second game, they suffered

defeat at the hands of the Burris reserves. Our reserves then lost five straight to Elwood, Kokomo, Anderson, Central of Ft. Wayne, and Kokomo again. After losing these five the Little Giants beat the reserves of Peru by one point in a nip and tuck battle the whole way. The rest of the season went about the same as the first part and at the last the Little Giants ended with 5 wins and 13 losses.

SEARSMEN TURN

STRAINING IN THE BACKSTRETCH

TOP—RELAY PRACTICE

BOTTOM—TRACK QUEEN, MARCIA McGREEVY
(center) WITH ATTENDANTS

Ray Sears, our present track coach, completed his second year at Marion High this spring. He teaches world history during the school hours and oversees the track squad after school.

In addition to being an excellent track coach, Mr. Sears has made quite a name for himself in that field. He studied at Butler University and majored in physical ed and social science. While pursuing his studies there, he found time to be a member of the track and cross country teams of the university. In 1933 he won the title of National A. A. U. Champion for the ten thousand meter run. In '33-'34 he was National Collegiate Cross Country Champion; and, in 1934, to put the crowning touches on such a record, Ray broke the world's record for the two mile at Madison Square Garden.

After graduation, he spent eight years as track and cross country coach at Butler; then, when the war clouds threatened, Mr. Sears went into the Marines for three years. With his discharge, he again went afield and wound up at Marion High.

★ ★ ★

The Giant track squad enjoyed a successful season this year, though the faces of several of last year's point-getters were absent from the line up.

The team was composed of about 34 boys, many of whom were members of the A and B groups of the preceding year; they provided a balanced attack

by making up for weaknesses in certain events with extra strength in others.

Under the watchful eye of Ray Sears, the team began practice in the winter; some of the cross country men drilled all through the cold season two or three times a week at the coliseum. As soon as the weather permitted, the boys moved outside to take up the serious business of preparing for the first meet. They were rewarded by returning with the victory.

Miss Marcia McGreevy was elected by the student body to reign over the home meets as track queen. Her attendants were Nancy Charles and Barbara Lynn.

Track is a sport in which every boy has a chance; the multitude of events provides a field so varied that a place can be found for practically any ability in one line. Originated by the Greeks, to whom sports meant so much, track has come down through the years, with additions and changes, until it is a major sport in most high schools and colleges. The training rules are rigid; practice sessions are, of necessity, long and exhausting. Some events require speed and stamina, but others do not call for a wonderful physique or great endurance. The one thing for track men to remember is that stars are made, not born; the work necessitates blood, sweat, and tears—and practice, practice, practice.

HAPLESS DIAMOND SQUAD LOSES

Top Row—Carr, Bradford, Bradley, McNeely
Bottom Row—Ring, Lawson, Cushing

Top Row—Pierson, Klein, Banter, Ferguson, Hall
Bottom Row—King, Fykes, Porter, Hoy

The Giant diamond squad got off to a poor start this year as they dropped all of their first few games. It was not until well into the season that they showed much im-

provement. The Coach, Clay Layman of Washington Junior High was ably assisted by Joe Bell, M.H.S. typing teacher. Layman's proteges began their training late in March and opened the season April 16, at Lincoln diamond against Tech of Indianapolis.

The infield consisted of all old players except for Skip Pierson at third base. Ralph Ferguson played first; Jim Hoy, second; Bayard King, shortstop; and Doc Carr got most of the catching assignments. At the other end of the battery, there was Tom Anderson, Bob Lawson, Bob Cushing, and Ed Ring. The outfield was the weak link on the team as most of the positions were filled by inexperienced players in an attempt to build for the future. Dick Eltzroth was the only experienced outfielder used.

Several other experienced outfielders were benched in the carrying out of this plan.

CROSS COUNTRY HAS ROUGH SEASON

Top Row—Waggaman, Mgr., Scott, Hall, Wallace, Searce
Bottom Row—Mills, Smithheart, Deal, Bisher, Ray Sears, Coach

Cross country was revived as a sport at M.H.S. when Ray Sears took over the duties of track coach.

The boys did not make out so well this

year, winning only over Muncie and tying Kokomo during the season. Next year, however, all the boys, except two, will be back. This should provide some stiff opposition for the other teams.

Perhaps the scores of cross country meets is puzzling to you. As in golf, the team with the least number of points wins. The first man to cross the finish line gets one point; the second man, two; the third, three, and so on until all the runners have finished. The total of the team members' points is the team's score. Marion finished second in the county meet and sixth in the sectional.

Practice began for the squad on August 15, the official day for the long session to start. Daily workouts continued until the beginning of school; then they were held in the evenings after school hours. The race courses are usually $1\frac{1}{2}$ to 2 miles long, so plenty of practice was necessary.

Of course, it is hoped that next season the team will show great improvement, but that is something to find out later.

INTRAMURAL SEES KEEN COMPETITION

Under the leadership of Ray Sears, the Intramural basketball League provided opportunity for those boys in the school who do not play on the team. Beginning in the middle of November, the league divided into two sections, played a double round each semester. At mid-semester the league sections were changed and play resumed. At the end of the second semester round, a sudden death tournament was held with all teams competing. The winning team, captained by Martin Lhamon, included the following members: Richard Ray, Lorenzo Fleece, Dick Eltzroth, David Koldyke, Robert Taylor, John Buxton, William Bradford, Clifford Carey. In the final game of the year a group of "All Stars", captained by Tom Anderson played the winners.

Top Row—Lhamon, Bradford, Koldyke, Taylor, Eltzroth
Bottom Row—Ray, Fleece, Buxton, Carey

MHS DIVOT DIGGERS SHOW MUCH PROMISE

The Golf team did exceptionally well this year, winning several more meets than they lost during the season. Most of the boys participated in the sport last year, but graduation this year will remove several of them from further competition on the greens; consequently, the outlook for the future is not so bright.

Piloted by coach John Hubbard, the team made a number of excursions to other towns and several times played host to opposing squads at the AJC golf course. Regardless of the time or place, however, they usually returned the victor. The usual four man team consisted of Ordat, Hamaker, Circle and Dray. Circle is the one of these to return next year.

Since golf is a sport which requires power in driving and a steady hand in putting, the boys practiced daily to brush up on their technique. The lay-off during the war kept several boys from taking part through those years, but golf has had an increased following in the two years it has been resumed at M.H.S. We can hope that

Top Row—Circle, Powell, Dray, Edwards, Broyles, Handchey, Clemens, Lurie, Burton
Bottom Row—Faulkner, Ordat, Hamaker, Wilhite, Keen, Scott

the teams of the future will do as well as the one this year, but, rather than predict about the future, we'll wait until we can read the scores on the sports page.

GET THAT REBOUND!

GIRL ATHLETES PROVIDE COMPETITION

GOOD WORK IF YOU CAN GET IT!

Due to the inadequate facilities and equipment the activities for the girls' physical education is rather limited. Despite this the girls concentrate on learning team work and good sportsmanship as well as skill in physical activity.

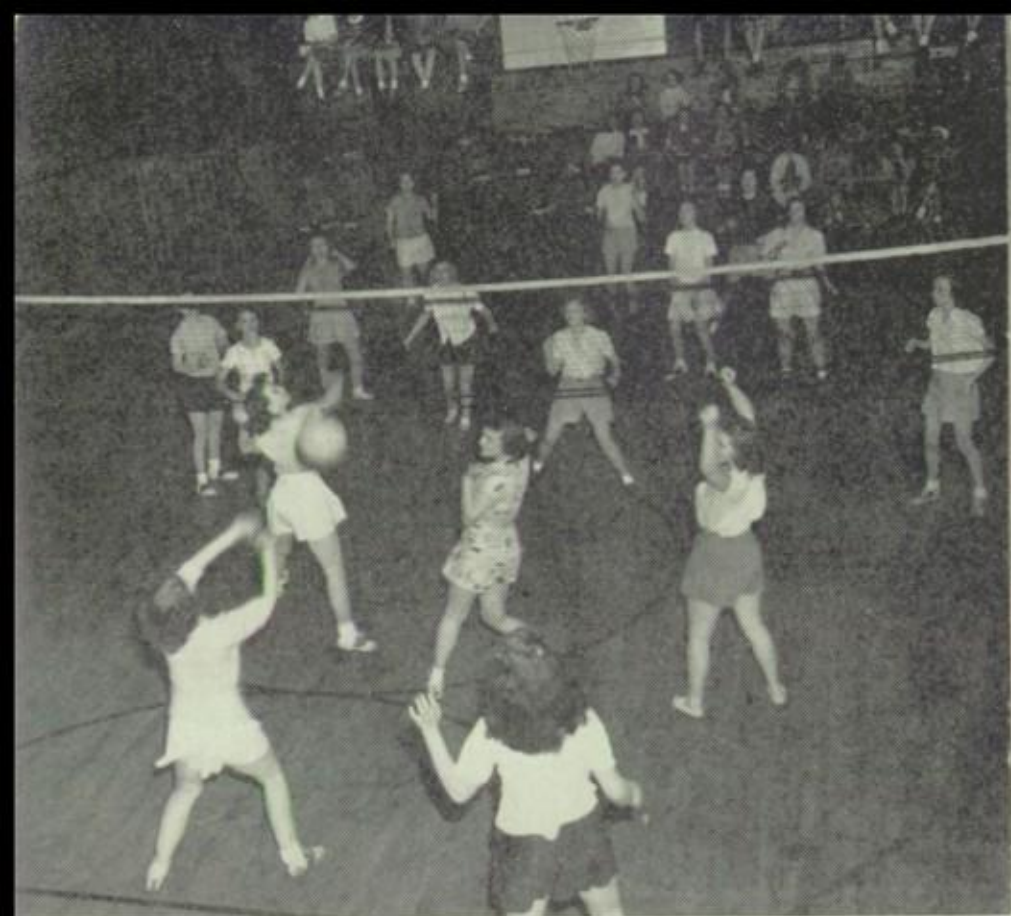

In the fall term, the girls attack with vigor many relays and games of low organization. These help in learning teamwork, alertness, and muscle coordination which is essential in all groups which participate in games and sports. They also help the girls prepare for their first major sport which is volley ball.

Near the end of the volley ball season, the girls hold a tournament which includes six teams from each period. Captains are chosen by the instructor; they, in turn, choose their players numbering from nine to twelve.

After the drawing for the tournament, play begins. Woe to the team which plays first and losses! They must sit and watch from then on as insufficient space permits no other activity. In an average class of fifty-five only from eighteen to twenty-four get to play while the others watch.

At the close of the volley ball tournament, basketball comes into light. The girls soon learn that girls' basketball is much different from boys' basketball. This fact causes many laughs plus effort and hard work.

The instructor starts the girls with exercises that tend to increase their skills in passing and shooting the ball. After they have accomplished these things fairly well

THE BATTLEGROUND

RUNNER-UP VOLLEY BALL TEAM
Top Row—Wise, Dugan, Sanderman, Mathiesen, Smith
Bottom Row—Anderson, Cushman, Ford, Buroker

IN SCHOOL INTRAMURAL TOURNAMENTS

new captains are appointed and players chosen. After the teams have practiced together for a period of time the basketball tournament begins. This is carried out in much the same way as the volley ball tournament. The girls learn the game better by being allowed to officiate for several games.

Finishing up basketball for the year they turn again to volley ball and continue to play this until the term is complete. Again captains are appointed and another tournament gets under way.

One of the highlights in the physical education program is the award which is given on award day to the girl who has the following items to be considered:

1. Any girl having 2 semesters of physical education.
2. Correct posture (not only in class but in halls and at all times).
3. Leadership ability.
4. Good sportsmanship—(play the game fair and square—win or lose).
5. Respect for authority (not only teachers, but captains, referees, etc.).
6. Good health habits.
7. Personal neatness and cleanliness.

All classes vote and the two highest in each class are nominated. The girl with the

highest number of votes receives the award, the others receive certificates.

This officially closes the physical education program for the year.

The girls uppermost wish is that the field in physical education may be broadened to include many more activities such as, softball, tumbling, bowling, tennis, calisthenics, and many other such activities.

JUMP BALL

ACTIVITIES

NUMEROUS, THEY HIGHLIGHT THE LIFE OF OUR SCHOOL

The clubs of Marion High School provide most of the social activities in which the students engage. In addition to these affairs, the Easter Parade and the Cactus Frolic are put on by the school in general. Each of the clubs sponsors a booth at the Cactus Frolic, the proceeds of which are used to finance the publication of the year-book.

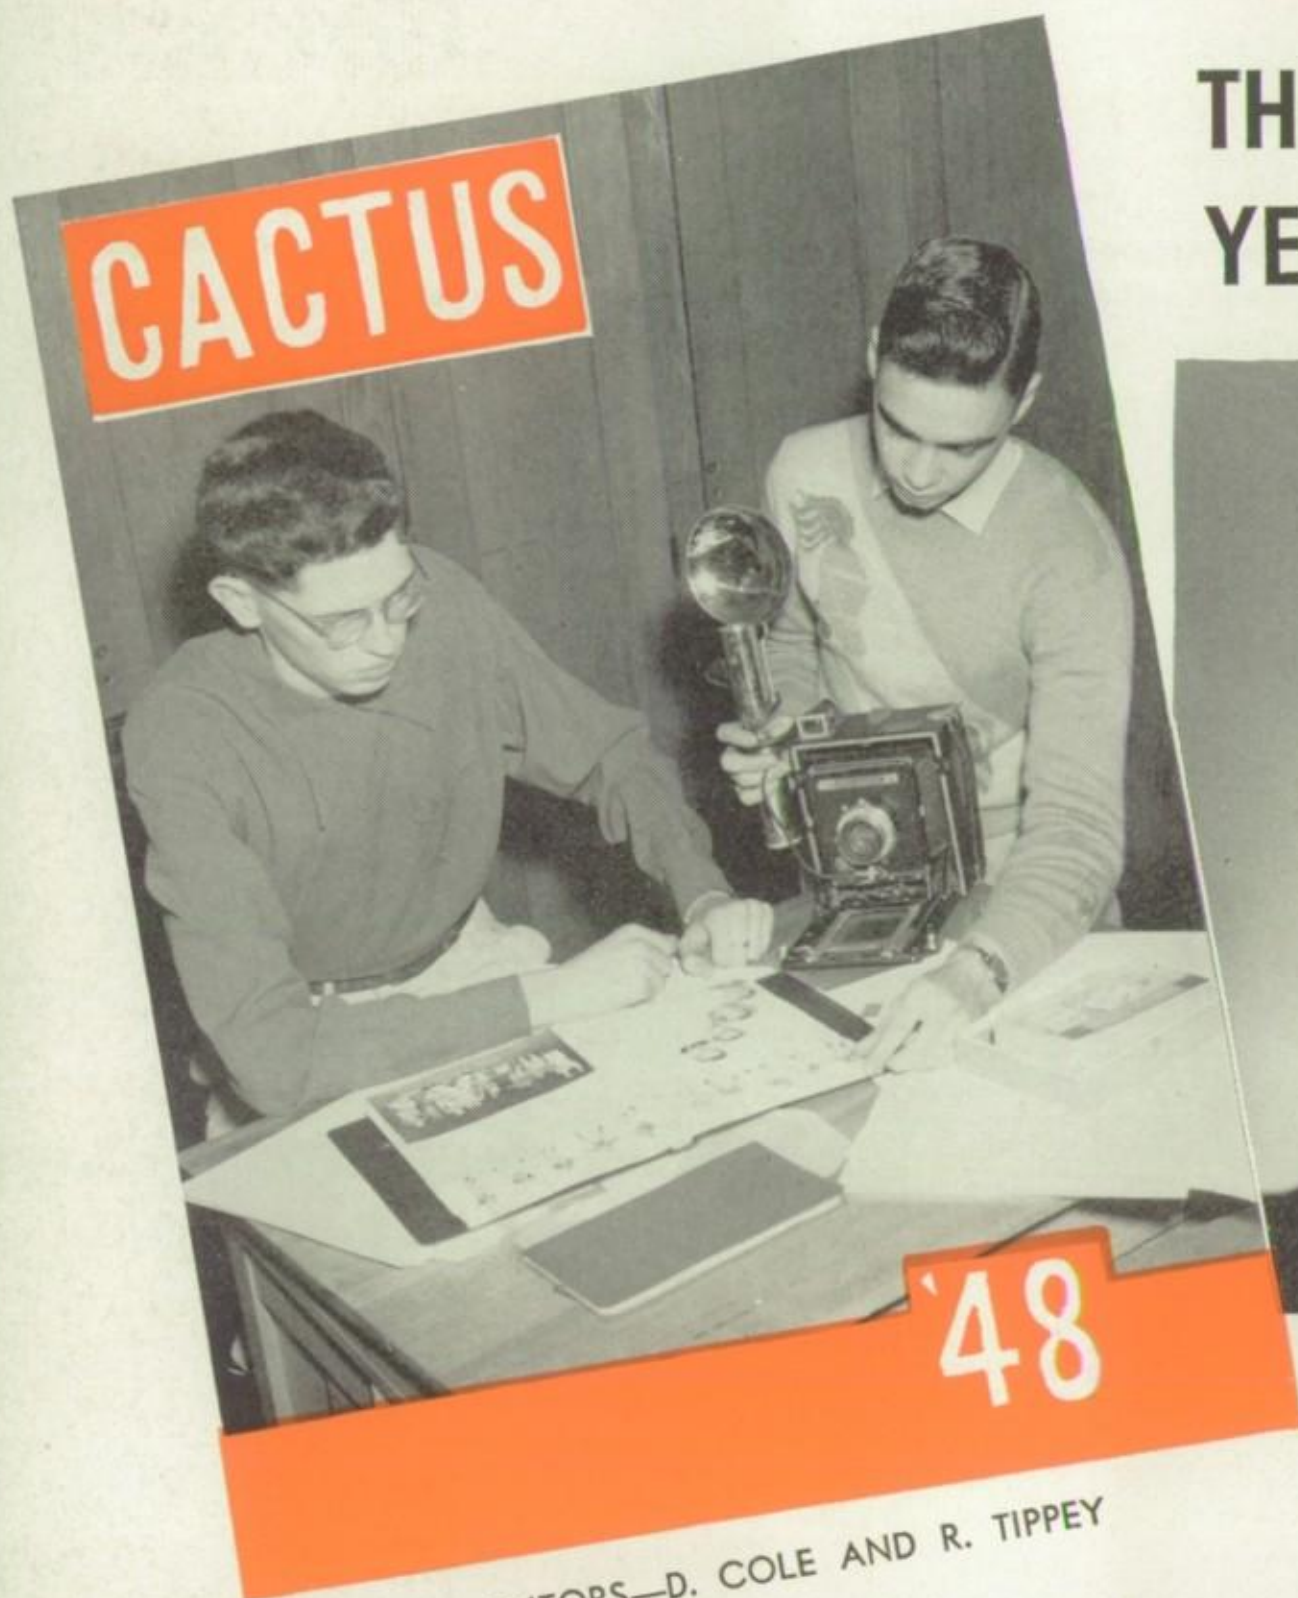

Some of the clubs are outgrowths of subjects, such as the Latin Club and Spanish Club; others are organized for different objectives. The Hi-Y and Y-Teens contribute to the making of better citizens in religious aspects; the Art, Dramatics, and Choral Clubs further interest in the fine arts. The Art Club decorates for school affairs; the Dramatics Club sponsors the plays; the Choral Club presents a spring concert and provides music at Easter and Christmas programs, as well as helping to carry out the theme of the Cactus Frolic.

The Band and Orchestra also provide music for school affairs. The Band plays at the games and each year gives a program for the student body; the Orchestra annually presents a concert for the pupils. It also participates in several contests. The Band and Orchestra combine to furnish music for the Easter Parade program.

There are many other clubs such as the Camera and Booster Clubs, the Survey and Cactus staffs, the National Honor Society, the Archery Club, and the Usher's Club which contribute their part to the life at M. H. S.

WHAT WENT ON UP TO JUNE 1st

At the beginning of school, Don Cole and Dick Tippey, the editors, began preparations for the advancement of an entirely new and different Cactus. Tired of the run-of-the-year book, the editors began with a radically new cover design. The actual design did not take shape till late in November, when the editors attended the National Press Conference in Cleveland. At this convention they met with the representatives of Craftco Cover Company and discussed types of covers suitable to tie in with the theme.

Previous to the trip to Cleveland the editors had finished several small layouts for the book and had set the staff to work preparing the material for the mould. Bids were taken for the photographic work and in October the Seniors trekked to Gayles studio for their pictures. The Cactus Frolic, annual fund provider, was made possible through the fine cooperation of the teachers and students of M.H.S. Underclass pictures were next in line. Throughout the year snaps were being taken and writeups submitted, re-written and sent to the printer.

The task was not an easy one—that of combining the pictures and writeups into a collection to recall pleasant experiences of the past school year. However the editors were capably assisted by a hand picked staff. Mr. B. H. Penrod again loaned his services as faculty advisor and we of the staff feel grateful for his constructive guidance. Miss Grace Cleveland and Mr. Aaron Adams also contributed their knowledge in the field of Art and Photography respectively and here is conclusive evidence of the answer given to that appalling question "What will the Cactus look like this year?"

GIRLS ON WHEELS

THE CROWDED MIDWAY

CACTUS FROLIC AGAIN SUCCESSFUL

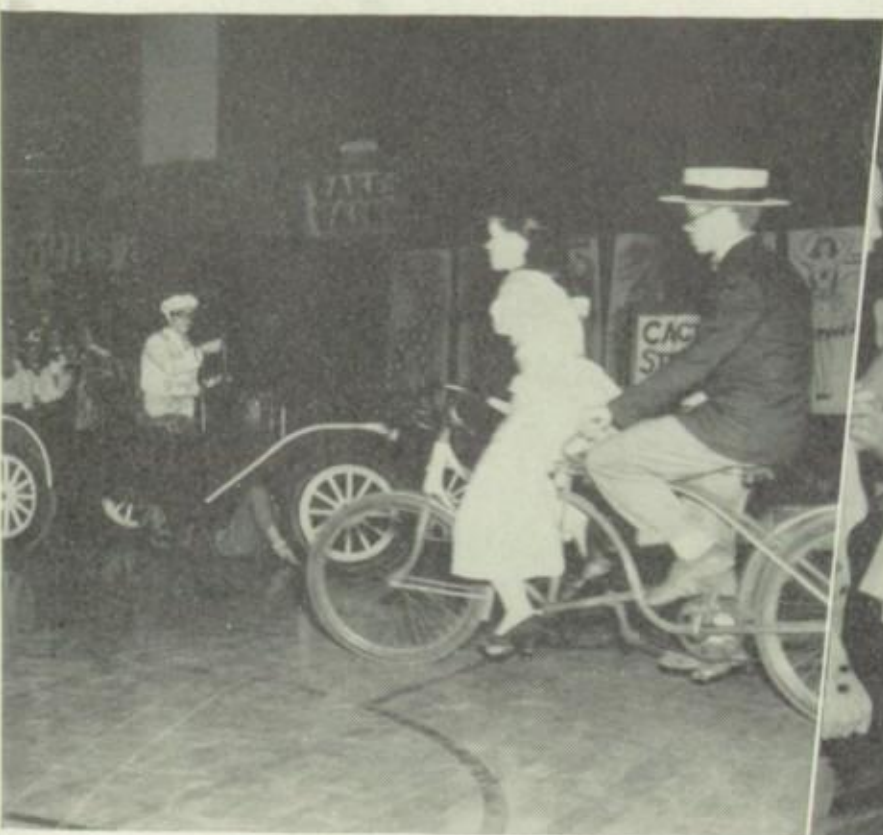

Several years ago, the Cactus funds were "appropriated", along with some other money, when the large safe in the Superintendent of School's office was robbed. The situation demanded that money be raised in some way to defray the cost of the yearbook's publication. The idea of having a social gathering met with approval, so the Cactus Frolic was born.

Down through the years, the Frolic has become a custom here at M.H.S., and now it serves as the major means of support for our yearbook. It eliminates the advertisements which formerly provided the funds, and gives the students a part in the production of the book.

The Cactus Frolic was a huge success this year, thanks to the many clubs and organizations which helped make it possible.

The Art Club did a magnificent job of decorating for the affair, but it required a lot more than decorations. Weeks of planning and preparation precipitated a result that was without equal in the history of the event.

ABOVE—A FORD IN HER FUTURE
RIGHT—CLOWNING AROUND

SERVING THE SWEET TOOTH

Each club of the high school sponsored a booth, decorated and operated by its members. The average profit per concession was \$57.58. Of course, many topped this figure, the most notable of which was the dance with a net of \$139.10.

The clubs worked together exceptionally well to put on the Frolic, although none of them received any monetary reward for their part. All the proceeds of the event were pooled to finance the yearbook which you are now reading.

POLLEY AND COMPANY PROVIDED THE ATMOSPHERE

HAYS, BROCK, SHAFFER, BENNETT, AYRES
CO-EDITORS, SECOND SEMESTER

Our Survey, having this year as a new sponsor, Miss Mildred Aveline, presented to the school a large and varied amount of news. During the fall term Lorean Swaney was the editor; Nancy Charles, second-page editor; sports-editors, Phil Sisson and Jack McMillan; exchange editor, Lavonna Everson; and circulation manager, John Draper. Accompanied by the click of the typewriter, the smell of paste, and the yells of "Has anything come back from the linotype", the composition of the paper was done in room 101.

Most of the school events were covered and written up to be remembered in our later years; moreover, the staff co-operated with as many of those who asked, as possible in bringing dances, programs, drives, and other things of interest to the attention of the student body.

The special Christmas edition was the handy-work of the cub staff and late in the spring another cub paper was published.

During the second semester a change was made in the staff. Elizabeth Ayers and Arlene Bennett became co-editors; Pauline Farley, second page editor; Mary Fowler, club editor; and Charles Brunk, business manager. Others working on the Survey were as follows: Janice Claxon, Roberta Rudicel, Mary Etta Rennaker, Raymond

Walters, Sally Ramp, Nancy Hays, Freda Jones, Pat Sanderman, Mary Jo Hoover, Ruth Scheerer, Elaine Buck, Phyllis Hickman, George Dixon, Jeri Elliot, Barbara Nell Small, Charles Nelson, Mary James, Nancy Byler, Don Cole, Lois Cole, Lovie Smith, Marianne Conklin, Bob Comer, Darrell Brothers, and Rosalie Gugel.

STUDENT COUNCIL ACTIVE IN SCHOOL LIFE

OFFICERS AND SENATE

Craig, Nelson, Kelham,
James, M., Gardner, Searce,
James, C., Draper, Long

Expanding a little each year, the student council is doing much to promote the welfare of the student body. Each home room has one representative on the council. An integral part of the council is the Student Senate, composed of the officers of the council and three Seniors, two Juniors, and one Sophomore elected at large from their respective classes. The President, a Senior, is elected by the entire student body after being nominated by the Senior class.

Two of the main projects of the 1947-48 council were the establishment of a school supply store and the revising of the Guidepost, the Marion High School handbook. The council also sponsored the Talent Search, the Thanksgiving food drive, the school Christmas tree, a Courtesy Week, and the arrangements for the Athletic Banquet.

Miss Gladys Neal was the sponsor this year and Charles Nelson was elected president.

COUNCILMEN REVISING GUIDEPOST

STUDENT COUNCIL SPONSORED
BOOKSTORE IN ACTION

ART CLUB DECORATES OUR ACTIVITIES

With skillful brushes and pens, the members of the Art Club again busied themselves with the task of making school activities successful by creating and carrying out decoration schemes and publicity poster. The organization is made up of students who are engaged in furthering interest in art and related subjects.

Election of officers was held early in the year and the following were selected to guide the club over the '47-48 session: Don Cole, president; Warren Pinkerman, vice-president; Raymond Pence, treasurer; Betty Bailey, program chairman; and Barbara Long, secretary. The duties of secretary were taken over at mid-semester by Ardath Moore.

A dance, "The Skippin Sketch," held in October, an art exhibit from John Herron Art Institute sponsored by the club, and a trip to an exhibit of old masters at Bloomington in early May were some of the activities engaged in by this federation of artists under the capable advisorship of Grace Cleveland.

THE ART CLUB BUSY WORKING OUT DECORATIONS FOR THE ANNUAL EASTER PARADE

ARCHERY POSSESSES FAITHFUL FOLLOWERS

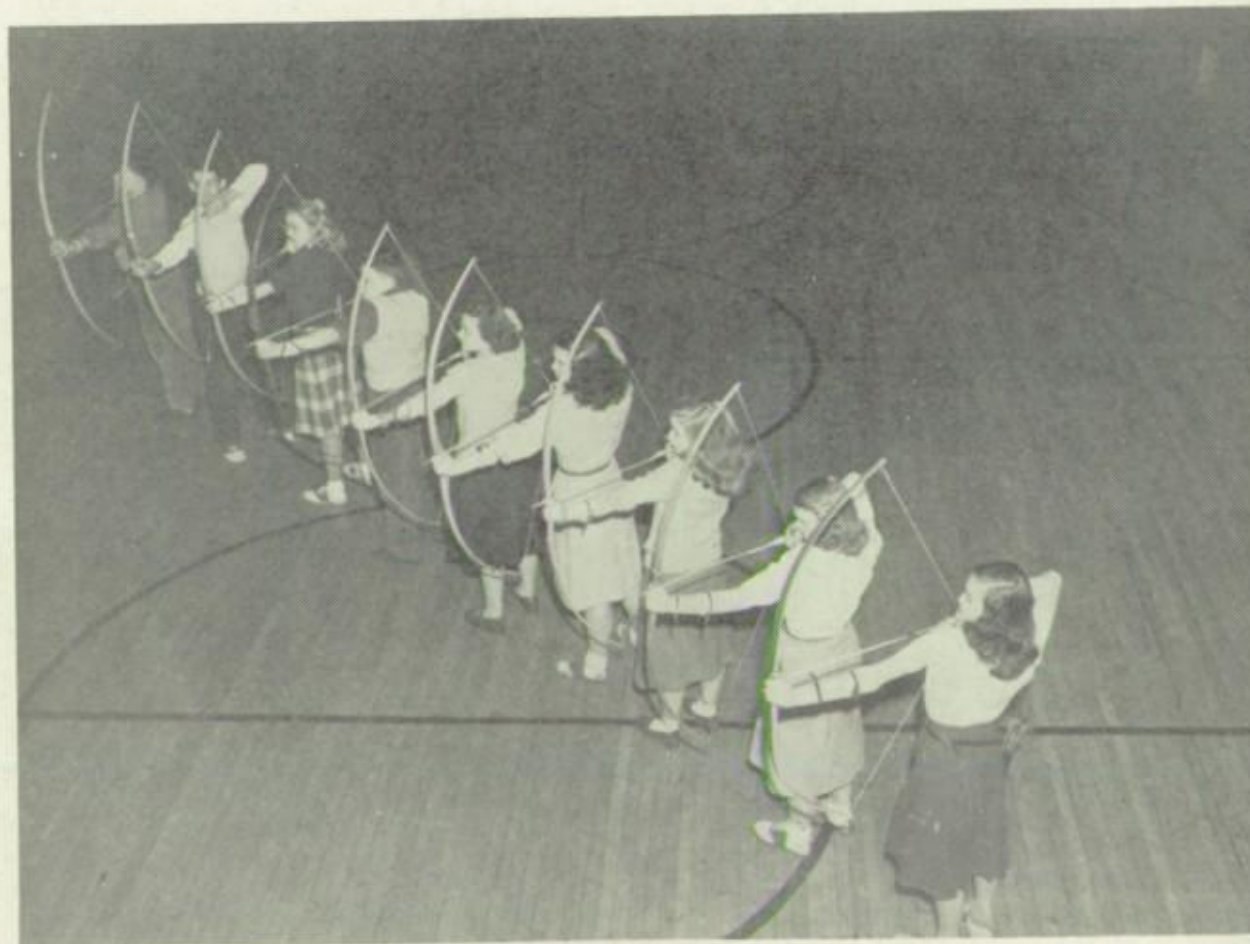

The enthusiastic members of Marion High School's Archery Club met every Thursday this year for practice sessions. It has, as a result, grown in size and skill. Six girls represented the Marion aggregation in a bowman's meet at Huntington early in the year.

Neal's farm, south of Marion, was the scene of the annual outdoor shoot; prizes were awarded to the sharpshooters, and the festivities were climaxed by a picnic.

For the first semester the archers chose the following to lead them: Eugene Connelly, range captain; Peggy Wheatly, assistant range captain; Susan Powers, secretary; and Dick Tippey, treasurer.

Their duties were capably taken over at mid year by Susan powers, range captain; Jules Walker, assistant range captain; Irma June Clevinger, secretary; and Joan Crimmins, treasurer.

The club, sponsored by Miss Carolyn Wilhite and Mr. E. J. Tillett, is looking forward to next year with anxiety. This organization is on the ball!

THE ARCHERY CLUB GETTING IN A LITTLE PRACTICE AT ONE OF ITS WEEKLY MEETINGS

HI-Y BUILDS STRONG CHARACTER OF BOYS

CONNELLY PRESIDES OVER BUSINESS SESSION

The Hi-Y club is, in general, a service club. This year it has had about thirty active members who have been responsible for several projects. In addition to sponsoring several after-game dances, they have had charge of the cloak-rooms, both at the Cactus Frolic and at the Easter Parade.

This year Marion was the host of the fall Hi-Y Convention of the fifth district. Over 120 reservations were filled and the affair was, on the whole, a huge success and a bright spot in the year's work.

The purpose of the club is, "To create, maintain, and extend throughout the school and community high standards of Christian character." Their ideas and motives are based on "Clean Living, Clean Speech, Clean Sports, Clean Scholarship."

Officers for 1947-48 were: president, Eugene Connelly; vice-president, Hugh Smaltz; secretary, Dewey Hall; treasurer, Dick Tucker; sergeants at arms Terry Abell and Ed Cole; chaplain, Charles Thompson.

HONOR SOCIETY FOSTERS HIGH IDEALS

CAMERA CATCHES HONOR STUDES IN AUDITORIUM

Election to the National Honor Society is a distinctive honor to a student of Marion High School. It means that in the eyes of his teachers, he best exemplifies the cardinal virtues of Character, Scholarship, Leadership, and Service.

The National Honor Society is, as the name implies, a nationwide organization sponsored by a National Council of 9 members. This council exercises general control over the various chapters, each of which has a charter granted by the Council.

Members of the Honor Society are elected by the faculty of the school. A minimum scholastic average of 88% is required to be eligible to membership. Five per cent of the Junior class and ten per cent of the Senior Class may be chosen.

Under the sponsorship of Miss Case, the Marion chapter has held several meetings this year. Early in the school year, the club chose Ray Lines, president; Nancy Charles, vice-president; Beverly Baldwin, secretary; and Susan Powers, treasurer.

BOOSTER CLUB BACKS MHS ATHLETICS

The Booster Club, guided by the board consisting of Mary Mullins, chairman, Elaine Buck, Nancy Hays, Barbara Moon, Betty Comer, Isabel Alexander, Janice Howard, and Mr. B. D. Carmin, sponsor, continued in its second year of operation to work for better sportsmanship and team support. This year the club formed a distinctive block of one-hundred girls in the middle of the Marion section; moreover, the white blouses and purple-gold hats marked the girls as an organized cheering section. Each Wednesday evening the club met in the auditorium for a practice session to learn new songs, yells, and the block M. At the time of the New Year's Tourney, the Booster Club provided the programs; furthermore they sponsored the sale of various sports pins, decals, and banners. When the

sectional arrived, large cards were made with one letter to a card, one player's name to a row. By showing the proper cards in the right order, the names of the whole team were spelled out. When these cards were turned over, an interlocking MG appeared. Just before the regional, paper shakers of purple and gold were made to add color to the block. One row was gold; the next, purple. At various times during the year the Booster Club sponsored pep-sessions and pep-parades. In March the junior and senior officers were elected for next year; however, the sophomore officers will be elected next fall. The school appreciates the contribution that has been made by the loyalty to the team as displayed by the Booster girls. It is hoped that next year's club will contribute even more.

Y-TEENS HAVE

Y-TEEN CABINET
Top Row—Ayers, DuBuque, Hays, Baker, Fowler, Buck
Bottom Row—Small, Thomas, Ayres, Powers, Baldwin, Carpenter

The Marion High School Y-Teens experienced a very enjoyable year. This year the girls were divided into such groups as "Sharps 'N' Flats", "Program", "Gay-teens", "Other Y's", "Romper", "Thrift-teens", "Scoops", and "Get Y's". The Cabinet members in charge of these groups, and the teachers who sponsored them were as follows:

Sharps 'N' Flats—Jerry Thomas
Wilma Baker, Miss Virginia Spencer
Program—Susan Powers
Miss Dorothy Jean Haskell
Gayteens—Rosemary DuBuque
Miss Florence Heck
Other Y's—Nancy Hays
Miss Gladys Neal
Romper—Beverly Baldwin
Miss Carolyn Wilhite
Thrift-teens—Nancy Carpenter
Miss Marjorie Connelly and
Miss Mary Middleton
Scoops—Betty Ayres
Miss Mary E. Johnson
Get Y's—Elaine Buck
Miss Ethel Renbarger

In November, the girls began the activities with a recognition service sponsored by the Get Y's. At this service, all new students at Marion High are recognized. Also in November the Romper had a "Tipoff Party" at the Y.

The month of December is a busy month for Y-Teens as it is for others. The Sharps 'N' Flats entertained an all girl auditori-

ENTHUSIASM PREVAILS AT MASS Y-TEEN MEETING

BUSY, PROFITABLE YEAR

um with a very impressive Christmas pantomime. Another important activity was the annual Children's Home Party. The party was sponsored by the Other Y's this year.

A clever skit entitled "Romeo and Juliet" was the Rompers contribution to the auditorium held February 10. The Thirteens sponsored a skating party at the Idyl Wyld. This was a very profitable event and a very enjoyable one. This party was open to all members of the school. Reverend Murray Johnson was the guest speaker at the Easter auditorium sponsored by the Thirteens. Also in March the Thirteens began a sale of stationery. This stationery, a product of Personal Stationery Company, Camden, New York, has always proved a profitable money making proposition in years before.

All Y-Teen members assembled in the the auditorium for a movie sponsored by the Greyhound Bus Company. The film shown was "The Shortest Way Home". Another very interesting April auditorium was Mrs. Glea R. Richer who gave a fine review of the wives of our United State Presidents. The review was particularly interesting because Mrs. Richer had small dolls to portray her characters. This program was sponsored by the cabinet members. April 25, was the date set for Go-to-Church Sunday. All Y-Teens met at the First Presbyterian Church. April was quite a busy month for Y-Teens it seems, because still another important and very entertaining activity took place that month. The Vogue Style Show. The models for the review were, Nancy Hays, Marilyn Ayers, Barbara Nell Small, Mary Virginia Fowler, Maxene Rickey, Lavonna Everson, and Leona Ramp, who were chosen by the Vogue. Refreshments were served to all present April 28. The review began at 7:00 P.M.

The Mother-Daughter Banquet held May 6, more or less closed Y-Teen activities for the year 1948-49.

Y-Teen officers were: president, Marilyn Ayers; vice president, Elaine Buck; secretary, Mary Virginia Fowler; treasurer, Barbara Nell Small.

MAMMOTH LATIN CLUB ASSEMBLED IN LIBRARY

S. P. Q. R. COMPLETES ACTIVE YEAR

The Latin Club is one of the largest organizations in M.H.S. Its membership consists of students taking Latin, or of students who have had two years of that subject.

The club is organized along the lines of the old Roman government. The names of the officers are the same and the duties are much like those of the Roman officials.

Each year the club holds a May breakfast. In addition to this, the Latin and Spanish clubs jointly sponsor the Latin-Spanish club dance, which is

held at the school. The event is open to the whole school and always attracts a large crowd.

The annual Latin club paper, the *Oculus Videns*, is published by members of the group. The paper is written mainly in Latin, and it contains the news of the social events of the club and the Latin classes.

At the Cactus Frolic the members operate the ring-the-cane booth; they did a fine job this year.

As the year draws to a close, the members of the Latin club can look back on a job well done.

MORE LATINITTES

CAMERA CATCHES SPANIARDS AT BUSINESS MEETING

SPANIARDS PROMOTE GOOD WILL

The Pan American Forum, commonly known as the Spanish Club, started its year's activities with a meeting devoted to the installation of officers. These persons elected previously by the members were: president, Elaine Buck; vice-president, Barbara Truex; secretary, Ann Weber (Jack Mason was elected at the beginning of the second semester to fill this vacancy); treasurer, Carl Gossett; and program chairman, Phyllis Norris. At this same meeting new members were initiated and pins were distributed. The Spanish Club collaborated with

the Latin Club as in former years to hold the Toga Tango, an all-school dance. Entertainment was provided by members of both organizations. In addition to several other meetings, the group had as its final social function a potluck supper held May 4, in the school cafeteria. Miss Dorothy Case, Spanish instructor was sponsor of the organization. Some of the projects completed by the club were the buying of a Viewmaster and 18 films, a booth at the Cactus Frolic and dance after a basketball game. This was a profitable year for both club and members.

MORE SPANIARDS

THE SHUTTER BUGS CAMERA CLUB

CLUB SPONSORS CONTEST FOR ENERGETIC MEMBERS

This year a camera club was organized in our school with Mr. Aaron Adams, drafting instructor and school photographer as sponsor of the club. Its first officers were: Phil Sisson, president; Hugh Smaltz, vice-president; Marietta Boxell, treasurer; and Betty Comer, secretary. A constitution had to be drawn up by the officers before it became a school club. Members chose "Shutter Bugs" as the name of their organization. A dark room was constructed in a vacant room in the basement of the school where a contact printer, an enlarger, and other equipment were installed.

Without the help of Gayles' Studio, the camera club might not have advanced. High spots of the "Shutter Bugs" were a camera field day at the school and a contest in which more than forty prints were exhibited. Hugh Smaltz received first prize; Pat Sanderman, second; and Jim Eastes, third. Now that the camera club is started there is no end to the things it can do in the coming years.

In addition to the club a night class in photography was held with John Logan, Marion High alumnus as instructor. The high point of the course was a camera hike around Matter Park followed by an exhibition.

A MEETING AT GAYLE'S STUDIO BRINGS FORTH MEMBERS TO LEARN MYSTERIES OF PHOTOGRAPHY

WRITER'S CLUB FIRMLY ESTABLISHED

The Writers' Club was not too active during the 1947-48 school year because it was just getting started. The Constitution was adopted and plans were made for a point system of earning pins. Regularly, meetings were to be held the second and fourth Thursdays in the month. This was not done during this year because the club wasn't thoroughly organized. At the second meeting officers were elected. They were president, Emily Harris; vice-president, Ruth Scheerer; treasurer, Robert Comer; and secretary, Norma Gotschall.

The purpose of the Writers' Club is to give those students who like to write an opportunity to do so. A committee investigates contests, magazines, and the like which offer opportunities to the members to receive credit for their work.

HOPEFUL AUTHORS WRITE TO FURTHER AMBITIONS

To be eligible for membership, the student must do "C" work in English and passing in all other subjects. An officer must be making "B" in English.

USHER'S GROUP AIDS CONVOS

The Ushers Club is a new organization in M.H.S. It is primarily a service club for school and other activities. There are twelve charter members in the club and thirteen more members were recently taken in. Meetings were held every other Tuesday after school unless a special meeting was called. Any member missing three successive meetings was immediately dropped from the roll.

The members of the club ushered at the Civic Music Concerts at the Methodist Church. Although this club is primarily for ushering, the girls did some serving at suppers.

Miss Gladys Neal and Miss Mary Elizabeth Johnson were the sponsors of this club; Shirley Holt was the president, Mary James, the vice-president, and Margaret Huff, secretary-treasurer.

ALL GIRL CLUB SERVES SCHOOL AND COMMUNITY

Qualifications necessary for a good usher are: she must have a good idea of the seating arrangement of the auditorium; her voice should be pleasant and her posture good. She should also be firm and have tact.

MAHIDRA PROMOTES STRONG INTEREST IN DRAMATICS

Mahidra, the dramatic organization of Marion High School, really began its activities this year. The purpose of this dramatic organization is to function as a constructive group, working for the advancement of dramatics and speech in Marion High School.

Each month, meetings were held on the first and third Tuesdays. The club retained the officers elected last year for the first semester. They were Pauline Farley, president; Ruth Scheerer, vice-president; Marcia McGreevy, secretary; and Ann Gardner, treasurer. Officers elected for the second semester were Dean Wolfe, president; Ruth Scheerer, vice-president; John Draper, secretary; and Norma Lett, treasurer. The constitution and by-laws were revised by a special committee appointed by Mr. J. R. Rothhaar.

"Ladies of the Jury" was presented by the club as the first play of the school year. A Christmas Pantomime was given by the dramatic students in observance of Christmas. "Pyramus and Thisbe", scenes from "A Midsummer Night's Dream", were enacted by an all male cast at the turn of the semester. The last play of the year, "Heaven Can Wait", proved to be a huge success.

Teacher in charge of the dramatic department the first semester was Miss Betty Lynch; J. R. Rothhaar headed the department the second semester.

MUSICAL GROUPS PROVIDE ENJOYMENT

The chorus, under the direction of Miss Virginia Spencer, produced some fine accomplishments this year. The following officers in the advanced chorus were chosen: Phil Sisson, president; Don Gunion, vice-president; Dave Pitcher, secretary; and Nancy Charles and Beverly Baldwin, librarians.

The Cactus Frolic started off with a bang when the chorus sang "Stanley Steamer". Members of the chorus participated in the Indiana State Choral Festival at Cadle Tabernacle in Indianapolis. At Christmas time carols, sung by three different groups, could be heard echoing through the halls. Next on the agenda, the advanced chorus presented the Easter Program to the students. Of course, with Easter comes the Easter Parade. All three groups prepared a group of songs which included, "Beyond the Blue Horizon", "Stairway to the Stars", presented by a group of girls, "Hail to our Easter Queen", "With a Song in my Heart," and "Easter Parade". The advanced chorus, the band and the orchestra represented Marion in the four city Festival at Peru on April 30.

The Marion High School Orchestra has completed another year of successful programs and concerts under the direction of Mr. Lloyd DaCosta Jones.

Twenty one years of service and instruction in Marion Public Schools by Mr. Jones were completed this year. During this time his pupils have won high honors and have become recognized in their class.

During the year, the different schools of composition were studied. Music of the modern school, the old classic school, and romantic school was played.

Members of the orchestra attended the Four City Music Festival at Peru, Friday, April 30. The entire affair was under the direction of the Dean of Music at Indiana University.

As of years before, the Marion High School orchestra participated in the coronation ceremonies of the 1948 Easter Parade. Under the direction of Mr. Jones they played the following numbers: "Marche Noble", Bach; "Processional", Mendelssohn; "March from Iolanthe", Sullivan; March "Aida", Verdi; and "Easter Parade", Berlin.

MHS BAND CONTRIBUTES TO

Completing his twenty-fourth year as director, Mr. Phillip Polley led his active crew of musicians to new heights of glory. Under his capable management the band made numerous successful appearances for the school as well as the community.

A pep band, organized from the official band, provided spirit for our pep sessions while the entire group played for the home football and basketball games.

The entire group provided music to help make the Cactus Frolic a success. It also played at the Marion Industrial Exposition and the Indoor Circus. Next the band along with the orchestra supplied music for the 1948 Easter Parade.

A trip was made by the band on April 30, when they traveled to Peru to participate in the four way Music Festival. This year the festival bands were conducted by Frank Simon of the Cincinnati Conservatory of Music. During the evening concert the Marion band played "Sousa's Triumphal" by Bayer, "Cole Porter Selections" arranged by Bennett, "Big Time Boogie" by Moffit, "Americans We" by Fillmore, "Overture Hongroise" by Skotnicka, and "Star Spangled Banner" by Simon.

Tooters Folly, an all school dance, was held May 17 in the girls gym. The crowd danced to jute-box music until 8:00 when

 Bottom Row—Cheesman Little, Roberson, Swain

FULLNESS OF OUR SCHOOL LIFE

the Swing Band took over. Dean McConn acted as master of ceremonies. Jack McMillan played the drums. Jimmie Fisher, Delbert Courtney and Eddie Blocker were the trumpet players. Joan Cheesman, Rita Little, and Pat Roberson played the clarinets. Peggy Wheatley, Kenneth Courtney, and Morris Stevenson were the trombone players. On the saxophones were Iva Lou Johnson, Gayle Gordon, David Raven, Jack North and Betty Roberson; Jim Clouse played base. The flutes were played by Keith Scarce and Marietta Boxell. Charles Babb took over the baritone.

The main event of the evening was the floorshow, which was made up of the

Swing band itself and several entertainers. Among those on the program were: Bonnie Smith singing "With a Song in My Heart", Jack McMillan on the drums; Mary Hoffar and her roller skates; Hugh Smaltz and Dick Tippey putting on a magic show; Joan Pulley and Maxene Rickey with a twirling speciality; and, climaxing the evening, a "Lead the Band Contest" was held.

The band finished a good year by putting on a program in the auditorium in which they presented Sousa Triumphal, Overture Hongroise, a coronet solo by James Fisher, a Cole Porter selection, Sabre Dance, Lithuanian Rhapsody, Swing Low, and Big Time.

Top Row—Rainer, Clouse, Pulley, McMillan, Crooks, P. W. Polley, director, McConn
 Second Row—Thompson, Starr, Straughn, Taylor, Rickey, Lurie, North Raven
 Third Row—D. Johnson, Kimes, Babb, Futrill, R. Polley, Gordon, Johnson
 Bottom Row—Stroup, Scarce, M. Boxell

WE HUMBL Y PAY HOMAGE TO

The 1948 Easter Parade was held April 16, culminating two weeks of hard work by many teachers and students. Reigning queen, Miss Nancy Charles, and the senior Princesses, Miss Jean Kelham and Miss Maxene Rickey, viewed the floorshow from the higher seats of the dias. Ranging below the queen and princesses were the junior attendants, Miss Marcia McGreevy, Miss Betty Comer and Miss Leona Ramp, and the sophomore attendants, Miss Mary James, Miss Barbara Lynn, and Miss Marilyn Martin. Flowers were presented to the royal court by Miss Patricia Armstrong, Miss Phyllis Short, and Miss Marilyn Jeffery. Principal E. D. Milhon crowned the Queen following the traditional royal procession. Miss Barbara Moon was the crown bearer.

After the royal court was seated, a lavish program was presented for the pleasure of her majesty and her subjects. The band in-

troduced the first number which was the theme of the floorshow—"Beyond the Blue Horizon." The first phase of the future was presented by the twirling corps and members of the Booster Club who put on a skit entitled "College Days". The second phase of the program, Career, began with a number named "Ballerina". This was presented by a group of scantily-clad dancers. The succeeding numbers were "Roller Romance" a skating specialty, and "Whistle While You Work", a comedy number featuring the Seven Dwarfs. The third section was Travel and Celebration. This was introduced by the girls glee club and advanced chorus singing "Stairway to the Stars". A boys drill team then presented an impressive review plus a comedy act. Following this there was a band number, "Sabre Dance". The finale consisted of couples dancing to the tune of, "With a Song in My Heart."

A MEMORABLE SCHOOL

SEPTEMBER

Back to the grind again . . . Studes enroll for various classes . . . Seniors eye Sophs maliciously . . . Hopeful gridiron squad triumphs over Huntington . . . Shucks! Lost second game of season to Kokomo . . . Hit victory trail again over Logansport. Hi-Y sponsors dance after game . . . Art club throws first school dance . . . Yea Giants! Beat Anderson . . . Studes listen while Rubinoff fiddles.

OCTOBER

Club officers elected . . . Gridiron gladiators tramped New Castle . . . Choral club expended themselves in fine auditorium . . . Ouch! Giants mobbed by Muncie . . . Y-Teens skating party. Bruised knees enjoyed by all . . . Fine game played against Lafayette—too bad we lost . . . Teachers leave us temporarily for trip to convention . . . Giants make comeback, win over Elwood . . . Seniors grimace at camera for Cactus pictures . . . Victory bell returns to Marion as Wabash falls!

NOVEMBER

Hi-Y's hold district conference . . . Cactus Frolic enjoyed by all . . . "Ladies of the Jury", fine play presented. School rocks with laughter . . . Greentown defeated in basketball inaugural. Spanish club footed bill for dance at YM afterwards . . . Giants loose heartbreaker to Muncie Burriss by 2 points . . . Man alive, another vacation! Good old Thanksgiving!

DECEMBER

Darn! Another loss; this time Elwood, 2 measley points . . . Grade cards reappear . . . Giants squeeze victory from Kokomo . . . Loses to Anderson and Central Ft. Wayne on successive days by still only 2 points . . . Y-Teens hold Mother-Daughter tea . . . Kokomo again falls to M.H.S. netters . . . Cold Giant team loses to Peru . . . School out again, no objections tho.

JANUARY

South Side of Fort Wayne takes invitational tourney over Marion in final game . . . Modern Problems and Civics studes rack brains in library. Those themes! Teachers assume new look for Cactus pictures . . . Frankfort and Muncie Central both take advantage of Giant team . . . Student council puts on talent show. Never knew we had such good talent . . . Giants hand Huntington a defeat . . . Wabash also falls to Marion onslaught . . . Jeff of Lafayette refuses to follow suit, present Giants with stinging defeat.

YEAR 1947-1948 IN REVIEW

FEBRUARY

Another Y-Teens skating party. More bruises . . . Tech won over Marion . . . Junior Jump after Marion-Anderson game proved to be fun. Marion netters back on victory trail as Anderson falls by wayside . . . Merry time was had by all at Toga Tango annual Latin—Spanish Club dance . . . Giants end season with grand slam over Logansport . . . Bonfires burn brightly as Giants take Sectional honors.

MARCH

Marion starts off with a bang but loses final game of Regionals to Chester Township . . . Precautious Juniors and Seniors inducted into Honor Society . . . Gloom is momentarily cast by more grades . . . School bustles with activity as preparations are made for Easter Parade . . . Cactus camera in evidence . . . Easter vacation sure is early this year, but better early than never!

APRIL

Gotta be crosseyed to read April Fool Survey . . . Mrs. Richter accompanied by dolls gives talk on presidents wives for Y-Teens . . . Formal presentation of Easter Parade candidates. Hot Dog! More glamor . . . The actual Parade was a beautiful sight. Young and old alike were thrilled . . . Ritters Romp held . . . Band orchestra and advanced chorus troupe to Peru for Music festival.

MAY

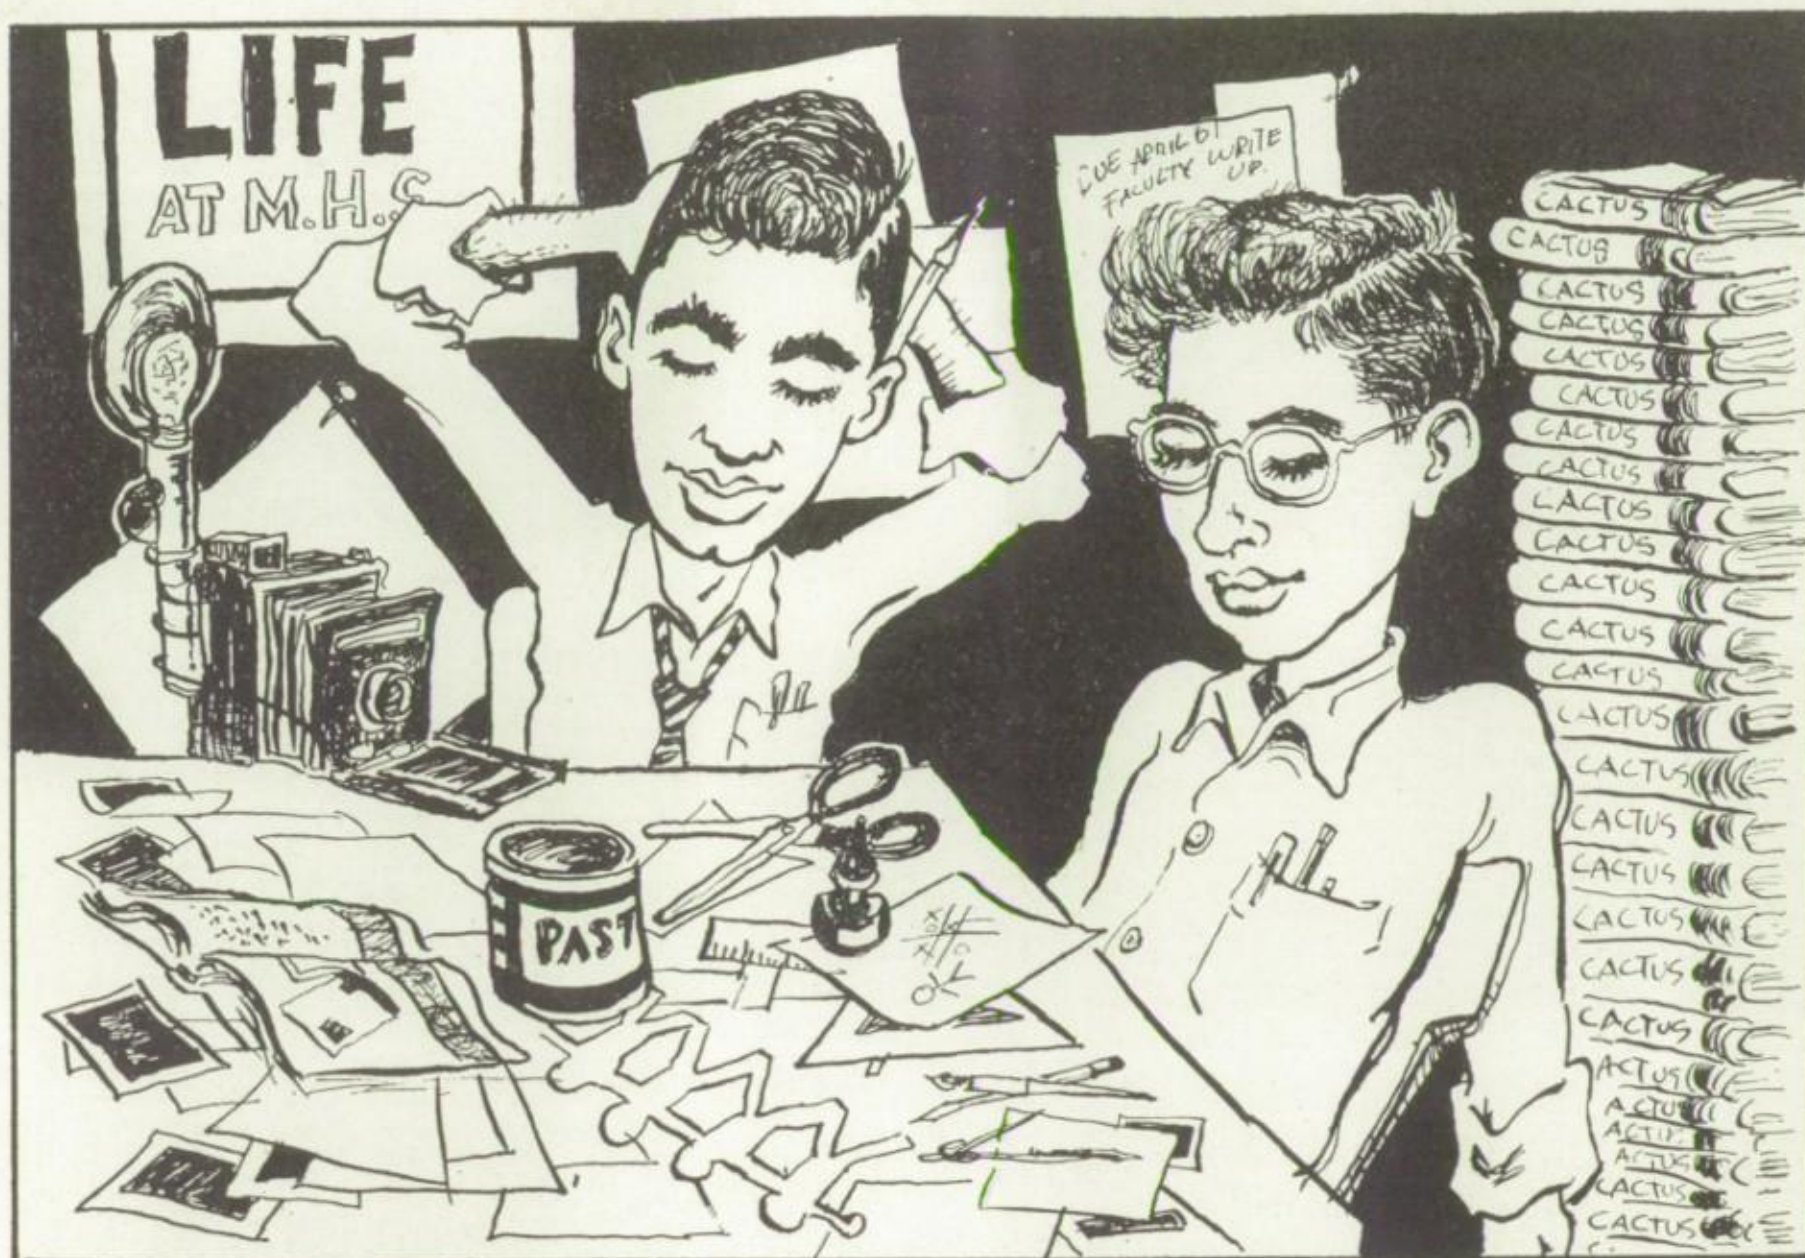

Annual Mother-Daughter Banquet . . . Chorus presented Spring concert . . . Juniors throw annual Junior-Senior Prom in honor of Seniors . . . Senior play "Heaven Can Wait" brings tears of laughter to eyes . . . Hungry Seniors attend "Last Supper" . . . Solemn Baccalaureate services given . . . Juniors & Sophs try to reconcile themselves to week of school without seniors . . . Marion's track and golf teams are holding their own against our opponents but our baseball team is not doing so well.

JUNE

Cactus delivered to students who busy themselves collecting as many autographs as possible . . . Editors Cole and Tippey are to be congratulated on publishing such a fine book.

Senior week somehow finds seniors morosely wandering through dear MHS halls . . . And, with lumps in their throats and diplomas clutched firmly in their hands, they move the traditional tassel. Thus they bid their fond farewell to LIFE AT MHS.

THE EDITORS SPEAK . . .

Here at last is the final page on which we, the editors, gleefully exercise that age old right—perogative. We deem it a privilege and an honor to have served our school and classmates in the editing of this link in the chain of school memories. Striving to create an outstanding annual through the engendering of certain radical ideas, we present for your earnest approval, or disdain, THE 1948 CACTUS.

Our determined search for new ideas and material found us, during the Thanksgiving vacation, wending our wearisome way to Cleveland for a National Scholastic Press Conference. This expedition highlighted our editorship as it was the only time in our lives that we ever hitchhiked 300 miles in the middle of winter.

It was at this conference that we developed our theme and cover design. Both of these are based, to some extent, on Life Magazine. Perhaps this would be as good a time as any to completely exonerate them and make profligate apologies to their circulation department for any impairment we may have made. Our theme evolved around an idea of "Life

at M.H.S." which was in turn, interwoven in the various divisions of the book.

Here, then, we wish to extend our deepest appreciation to those who have made our task easier. Among those in line for our handclasp of gratitude are: Peerless Printing Corporation, Fort Wayne Engraving Co., Gayle's Studios and Craftco Cover Co. for their skillful handling of our ideas.

Of course, through the year we were aided immeasurably by our faculty advisor Mr. B. H. Penrod; our other advisors; and a legion of minor assistants without whose services this yearbook would not have been possible.

The job was not easy, but, as is the peculiarity of our strain, we would not have traded it for any amount of money. The most appropriate phrase we have found for a parting comment is merely "SO LONG M. H. S."
